ACKNOWLEDGEMENT

Completion of this doctoral thesis was made possible with the support of several people. Foremost, I would like to express my sincere gratitude to my supervisor Dr. Satish Verma, Retired Professor, Punjab School of Economics, Guru Nanak Dev University, Amritsar for his continuous help and support in all stages of this thesis. Despite of his busy schedule, he has always made himself available to clarify my doubts, to review my thesis progress, gave his valuable suggestions and made corrections. I consider it as a great opportunity to do my doctoral programme under his guidance and to learn from his research expertise.

I am thankful to Dr. Sharanjit Singh Dhillon, Professor and Head, Punjab School of Economics, GNDU, Amritsar for providing me all facilities for my research work.

I express my deep sense of gratitude to Dr. Kuldip Kaur, Dr. Vikram Chadha, Dr. Gian Kaur, Dr. Sunil Kumar, and Dr. A.S. Sethi, Professors, Punjab School of Economics, GNDU, Amritsar for their constructive suggestions.

I am thankful to the Librarians, Punjab School of Economics who assisted me in searching the required material from department library. I am also thankful to the staff of Bhai Gurdas Library, Guru Nanak Dev University, Amritsar.

I do not find appropriate words to pay my gratitude towards my late grandparents S. Jassa Singh and Mrs. Balwant Kaur. It is because of their blessings that I am able to complete this research work. I am failing in my duty, if I do not acknowledge the ever present support, guidance and motivation of my parents. This research work would not have been completed without the consistent support and encouragement of my father S. Parjinder Singh and my mother Mrs. Mandeep Kaur. I am very much grateful to my parents' in-laws (S. Amarjit Singh Sandhu and Mrs. Harvinder Kaur), my husband S. Amandeep Singh Sandhu and
my brother S. Harpreet Singh who supported me in every possible way to see the
completion of this research work. I express my gratitude to my uncles
S. Avtar Singh and S. Charanjit Singh for their concern and good wishes.

It was my pleasure to share my research experiences with my friends Mrs.
Prabhjot Kaur, Gursharan Kaur and Naiya Mahajan. A special thanks to them for
being so patient and always willing to lend their service whenever I approached
them.

Above all, I thank God for letting me through all the difficulties.
