ACKNOWLEDGEMENT

It is my great fortune that I got the golden opportunity to work under the supervision of my Ph D Guide Dr S R Bamane, the Principal of Dr Patangrao Kadam Mahavidyalaya, Sangli without whom I would not have been able to undertake and complete my work. It was really a wonderful experience to work with him and to learn from him innumerable ways to take appropriate steps to do this uphill task of research. I am deeply indebted to him for his continuous support. He did not only guide me in my research but also inculcated in me deep conviction for the pursuit of knowledge. He inspired and encouraged me to complete this work.

I express my deep gratitude to Hon President of the Janata Shikshan Sanstha Hon Pratapraoji Bhosale, Vice President Hon Laxmanraoji Jadhav-Patil, the members of the Director Body of the Sanstha, Secretary Shri Anil Joshi, Joint Secretary Prof N V Chaudhari for their kind support. I am thankful to Prin. Dr C G Yeole, former Principals Dr C G Nalawade; Dr J S Chaudhari, former in-charge Principals Prof V D Farande, Prof R D Dubal for their administrative support. I thank to my Head of the Department Prof P S Kamble, my colleagues in the Chemistry department, Head of the physics Department Dr R V Dhekale as well as my friends on the staff Chartered Accountant D B Kharat and Head of the English Department, Prof R Y Shinde Prof. N B Chavan and all teaching and non- teaching staff of Kisan Veer Mahavidyalaya Wai. I express my gratitude to Deen of Science Faculty Prin. Dr C J Khilare (Shivaji University Kolhapur).
Academic ambition cannot be fulfilled without the knowledge base of the university. I owe to Prof S R Patil, Head, Department of Chemistry, Shivaji University Kolhapur for providing necessary facilities and encouragement during research work.

I take this opportunity to special thanks Prof. M A Anuse, Dr G B Kolekar and Dr S S Kolekar for the inspiration, scientific guidance, earnest suggestions and encouragement during this work.

My special thanks are due to Prof P P Hankare, Prof M B Deshmukh, Prof G S Gokavi, Prof B S Mohite, Prof P N Bhosale, Dr U V Desai, Dr K M Garadkar, Dr S S Chavan, Dr G S Rashinkar, Dr D H Dagade, Dr P V Anbhule, Dr D M Pore and other teaching staff of the Department for their keen interest and encouragement during the research period.

However it is embodied in the human element in the scholars and academics. This is personified in these individuals: Shri S M Khetre, S R Kulal, P N Jagadale, S V Bangale, S T Mane, Dr A U Chopade. I also thankful to Shri Sachin Kalash, Shri Anil Mohite, CFC Shivaji University Kolhapur. Along with the university another premier institute born out of Panditji’s dream, namely NCL was of supreme help to me. These are the great souls from NCL who helped me Dr V Ravi, Dr Shalaka Navale. Few other individuals who helped me and whom I must thank are Dr D R Patil (L R College, Parola, Jalgaon) and all the teaching and non-teaching staff of Dr Patangrao Kadam Mahavidyalya Sangli.

Above all I am extremely obliged and am grateful to my parent, Shri Vasant A Jadhav and Sou Bhagirthi who have provided constant inspiration to me in my academic pursuits. My wife Sou Surekha, my
children and children in my family, Snehal, Tejas, Supriya, Amruta, Prashant have undergone the acid test of immense patience during my work. My brothers Ramachandra and Krishna also stood by me in my strange madness to be the resourceful teacher of Chemistry.

I conclude this long acknowledgement by expressing gratitude to all those known and unknown individuals who have visibly or invisibly helped me to complete this work. Their kindness and cooperation must be put on record.

Mr. H.V. Jadhav
