ACKNOWLEDGEMENT
ACKNOWLEDGEMENT

The investigator wishes to place on record his deep sense of gratitude to all those who were behind him in conducting this study and bringing out this thesis in the present format.

The investigator is extremely grateful to his supervisor Dr.N.Balasubramanian, M.A.,M.Ed., M.Phil., Ph.D., PGDCA, Reader, Department of Educational Technology, Bharathiar University, Coimbatore - 641 046 without whose enlightened guidance and enthusiastic and sustained inspiration, this thesis would have never come out in this format.

He records his deep sense of gratitude to Dr.R.Ananthasayanam, M.A., Ph.D., D.H.Ed., FIC, Professor and Head, Department of Educational Technology, Bharathiar University, Coimbatore - 641 046 for his encouragements and inspiration in successfully completing this thesis.

He records his deep sense of gratitude to Honourable Dr.K.Karunakaran, Vice-Chancellor, Tamil University, Tanjore for his sustained encouragements and inspiration which motivated him to complete his research work successfully.

He expresses his sincere thanks to Dr.S.Purushothaman, Professor and Head, Department of Educational Technology, Bharathidasan University, Tiruchirappalli for his scholarly discussions which helped him to carryout the research work effectively.

He is indebted to Thiru.P.R.Bindhumadhavan, I.A.S., Project Director and Member Secretary, Tamil Nadu State AIDS Control Society, Chennai for his kindness in providing the media materials on AIDS education developed by the
society, which were used as different experimental interventions in the present study.

He is thankful to **SBCS** and **National AIDS Campaign Commonwealth Department of Housing and Community Services**, Australia, for providing the video programmes developed by them which were also used as experimental intervention in this study.

He is grateful to the **World Health Organization**, Geneva, Switzerland and other International Organizations for having sent the Literature on Prevention and Control of AIDS epidemic.

He also expresses his gratitude to **The Dean**, Coimbatore Medical College Hospital, Coimbatore for his kindness in extending him, his helping hand to carryout this research work.

He is ever thankful to **Dr. C. Shanmugam**, Professor and Head, Department of Linguistics, Bharathiar University for his encouragements and inspiration in successfully completing this thesis.

He is ever thankful to **Dr. C. Shivashanmugam** and **Dr. V. Thaylan**, Readers, Department of Linguistics, Bharathiar University, **Dr. K. K. Suresh**, Reader, Department of Statistics, Bharathiar University, **Dr. C. M. Ravichandran**, Reader, Department of Tamil, Bharathiar University for their kind encouragemets, inspirations and suggestions for the selection of topics.

He is indebted to **Dr. Sudhakar**, Director and **Dr. R. Thirunavukarasu**, Reader, Academic Staff College, Bharathiar University, for their kindness in allowing him to avail the Library Facilities of the Academic Staff College.
He also owes a great deal to all the principals and staff members of the colleges who were kind enough and encouraging to have permitted him to collect the required data from their colleges. He is equally grateful to the undergraduate students of the colleges for their invaluable cooperation and enthusiastic response in data collection.

He records his deep sense of gratitude to the Project Officer and volunteers of AIDS Awareness Education Project (RAID 3200) for their continuous suggestions all through the study and permitted to make use of video, audio, slides and posters developed by Tamil Nadu State AIDS Cell and other International Agencies. The investigator also thanks the precious time they spent in evaluating the media materials on AIDS education.

The investigator expresses his deep sense of gratitude to Dr.K.R.Rangaraj, Mr.I.Elango van and Dr.M.Charles Enigo for their constructive suggestions and encouragement throughout the study. He also expresses his heartiest thanks to Mr.K.Gopu Kumar, Research Scholar, Department of Psychology, Bharathiar University for his valuable assistance in carrying out the Computerized Statistical Analysis.

The timely assistance rendered by Miss.K.Eagavalli, Mrs.Meera Sivakumar, Mr.S.Kadhiravan and Mr.R.Ramesh are thankfully acknowledged.

The author is also grateful to Mrs.S.Geetha for her valuable help in the typing of the thesis.
