ACKNOWLEDGEMENT

I express my sincere gratitude to Dr. K. Karunakaran, Professor and Head, Department of Linguistics, Bharathiar University, who persuaded me to undertake the present research and provided constant advice and criticism during the course of this study. I am most thankful for his practical help and encouragement he has given me during the period of my research.

I am greatly indebted to my guide Dr. C. Sivashanmugam, Lecturer, Department of Linguistics, Bharathiar University for his inspiring guidance and sincere efforts from the very beginning of this research. His timely suggestions and keen interest were of immense help in shaping this research.

I sincerely thank Dr. C. Shunmugom, Reader, Department of Linguistics with pleasure for his valuable comments and encouragement. I am most grateful to him for the inspiration that I had from him during the course of this research.

I am grateful to Dr. V. Thayalan, and Dr. C. Sivakumar, Lecturers, Department of Linguistics for their constant support and encouragement in every stage of my research encouragement.
I am particularly grateful to Dr. K. Nagamma Reddy, Reader in Phonetics, Department of Linguistics, Osmania University, Hyderabad, with whom I had fruitful discussions which helped me in understanding the various aspects of the present research. I am indebted to the faculty of Department of Spoken English and Phonetics, Central Institute of English and Foreign Languages, Hyderabad who duly helped and permitted me to use the language laboratory.

It is my duty to thank the Authorities of my University for awarding me a University Research Fellowship which helped me to carry out this research without much financial difficulties.

I would like to specially thank the Headmasters, Teachers and Students of the Government Primary Schools and Government Tribal Residential schools, who have helped me in eliciting the data.

I take this good opportunity to place on record my gratitude to all the members of my family and my parents-in-law for their kind help and co-operation during the entire period of my research. I will ever remember the interest, help and support extended by my husband Mr. J. Mohan, without which this research would not have been possible.
My special thanks to Ms.C.Alamelu, Ms.S.Usha Menon, Mr.N.Ramesh and other research scholars, Department of Linguistics for their constant help in my research. I thank M/s.Kovai Computers and Documentation Centre, Coimbatore for typing the thesis neatly. To all of these I would like to offer my very best thanks.
