ACKNOWLEDGEMENTS

Here I would like to acknowledge those, whose assistance and contribution was determinant in the realization of this thesis, which otherwise would not have been possible. So many people have contributed to and influenced me during my research work that I cannot list them all and must ask the forgiveness of those I omit.

First and foremost, I bow my head in reverence to the Almighty God for providing me the positive strength and energy to work on this project and enabling me to reach far beyond my own, restricted ambit of thought and action.

I take the opportunity to sincerely express my deepest sense of gratitude to my revered guide, Dr. Joginder Singh Arora, Associate Professor, Post Graduate Department Of Commerce & Business Administration, Khalsa College, Amritsar, for intellectual, creative and affectionate support throughout this research work. His constant pegging provided me with enough motivation to enable me to go through this endeavour with great zeal and interest. Many thanks to him for his understanding and generosity in keeping his doors open all the time.

I gratefully extend my thanks to Dr. Subhash Chander, Dr. Balwinder Singh, Dr. Lakhwinder Singh Kang, Department of Commerce and Business Management, Guru Nanak Dev University, Amritsar for the criticism and advice they gave me during my research tenure, which resulted to perfection of this work.

A great reservoir comes from various libraries- Commerce and Business Management, Guru Nanak Dev University, Bhai Gurdas Library, Guru Nanak Dev University, ICSSR Delhi, Guru Gobind Singh Indraprastha University Delhi, Lal Bahadur Shastri Institute Of Management Delhi, National Council of Applied Economic Research Delhi, Jamia Millia Islamia University Delhi, British Council Library Delhi, National Institute of Public Finance & Policy Library Delhi, National Delhi Institute of Management, New Delhi Institute of Management. My gratitude to all the staff there who also co-operated.

I am thankful to all those learned people- near and far, especially Dr. Chetan Sharma, Librarian Guru Gobind Singh Indraprastha University Delhi, who was kind enough to help me to collect the relevant literature.
I cannot forget my research colleague Dr. Richard Nyangosi for his unconditional support and help for the course of this work. My sincerer thanks also go to my brother in law S. Jatinderpal Singh, my friends Gurvinder and Amandeep, Mr. Amit Shukla, G.M. Sales of D.S. Group, S. Jarnail Singh Superintendent in Custom, for helping me in collecting the data for my research work.

I am also thankful to my brother Major Malkiat Singh for providing me a helping hand, whenever I needed. I must put on record my thanks to my sister Dr. Sukhjeet Kaur Kalsi, brother in law Jatinderpal Singh Kalsi for constantly encouraging me to accomplish this project. I would like to express my gratitude to my in laws for their love and support. It is my great pleasure to acknowledge my husband Jaspal Singh who had a burning desire to see the task accomplished. He is my inspiration, motivation and my great leader. My little one Jashandeep Singh have been besides me in this task.

I feel indebted to my parents, who provide me the love and support, showing me the right path for achieving success. Without their moral support and inspiration, it would not been possible for me to carry out my research work successfully. Their affection has always been the great inspiration for me to patient and to concentrate on my work during my tough periods.

I extends my thanks to Subhash Computers, Amritsar who did a wonderful job to see that this thesis has been produced perfectly, neatly and without any mistake. Lastly, I offer my regards and blessings to all of those who supported me in any way during the completion of thesis work.
