ACKNOWLEDGEMENT

I thank the almighty with folded hands for helping me in all my endeavors.

I submit my profound sense of gratitude to the Management of Ramakrishna Mission Vidyalaya Maruthi College of Physical Education, Coimbatore for having permitted me to undergo this research programme.

The investigator expresses his profound gratitude and sincere thanks to Swami Abhiramanatha, former secretary, Ramakrishna Mission Vidyalaya Maruthi College of Physical Education, Coimbatore, to accord permission to me to undertake this study.

The investigator expresses his profound gratitude and sincere thanks to Swami Anuraganandha, Secretary, Ramakrishna Mission Vidyalaya Maruthi College of Physical Education, Coimbatore, for his encouragement to complete the study.

Gratitude springs from the bottom of any heart to the ever legendary Dr. A. Pushparajan, Former Principal, Ramakrishna Mission Vidyalaya Maruthi College of Physical Education, Coimbatore who like a living encyclopedia and for being my guiding light to do the Doctoral Research. In a nutshell, this study would have been impossible without him.

I express my profound sense of gratitude to Dr. S. Alagesan, Principal, Sri Ramakrishna Mission Vidyalaya, Maruthi College of Physical Education, Coimbatore for his constant support and timely help to complete this research work.

I wish to express my heartfelt gratitude to my guide Dr. S.T.N. Rajeswaran, Reader, Department of Physical Education, Bharathiar University, Coimbatore for his valuable guidance, meticulous supervision, constructive comments, constant inspiration and encouragement throughout the course of my study.
I record my special thanks to Dr. T. Radhakrishnan and Dr. P. Manju Pushpa, Assistant Professors, Department of Physical Education, Bharathiar University, Coimbatore, for their selfless help throughout the research work.

I would also like to thank Mr. R. Vasudevan NIS., Mr. R. Suresh NIS., handball coaches Mr. G. Shivaji and Mr. R. Giridaran and R. Soundrarajan research scholars, my friends, and professional colleagues for their valuable help and encouragement for the successful completion of this study for their cooperation during the tedious process of data collection and all the time.

P. Kaleeswaran
