ACKNOWLEDGEMENTS

My foremost thanks with limitless humility to ‘GOD’ for bestowing me with the opportunity, tenacity and courage to go through this crucial juncture. Words are insufficient to describe the magnitude of support and love extended to me by my parents and family, my source of strength and inspiration.

With an overwhelming sense of legitimate pride and genuine obligation which gives me exuberant pleasure and privilege to express my eternal gratitude to my learned and revered research guide and chairman of Advisory Committee Dr. Y.S. Dhaliwal, Professor and Head, Department of Food Science and Nutrition, CSK HPKV, Palampur for his excellent and praiseworthy guidance, unsparing criticism, juvenile encouragement, liberal attitude and parental affection during the whole course of my study. I shall always remain indebted to him.

I feel honoured in expressing my profound sense of reverence and gratitude for the members of my Advisory Committee, Dr. (Mrs.) Ranjana Verma, Assistant Scientist, Department of Food Science and Nutrition, Dr. Rajan Katoch, Assistant Scientist, Department of Biochemistry, Dr. M.K. Gupta, Associate Professor, Department of Microbiology, Dr. C.K. Oberoi, Professor, Department of Chemistry and Biochemistry for their benevolent guidance and whole hearted support from time to time during the study.

Heartfelt thanks are also due to Dr. Arun Gautam, Incharge Bee Research Station, Dr. Madan Verma, Assistant Professor, Dept. of Veterinary Physiology, Dr. H.L. Sharma, Professor (Retd.) for their help during course of these study and improvement of my personal skill.

Heartfelt appreciation and thanks are due to Dr. Shailza, Archana didi, Dr. Arun Prabha and my entire family member for their prompt anticipation, affection, moral support and invisible help all through my life.

I sincerely thank Dean Post Graduate Studies for providing necessary facilities to complete this study. I express my sincere thanks to all teachers and office staff the College of Home Science for their help and guidelines during my studies.

To me research is not one man’s endeavor. At each stage of work a group of friends especially Manish, Purvika, Anita, Mrinalini, Madhavi, Shivani Dhiman, Shivani Wafia and Pooja shared my labour and kept me in exalted state during moments of despondency.

Needless to say, all omissions and errors are mine.
