ACKNOWLEDGEMENT

It was 15th Dec. 1994, when the Govt. of Maharashtra was pleased to nominate me as a Non-Judicial Member at the District Consumer Forum, Nanded. I joined the said office and remained there for the full term of five years i.e., till 14th Dec 1999. I came across varieties of the cases in the consumer disputes during that course of time. Fortunately, I got the patronage of very good Presidents of the District Consumer Forum at Nanded including Shri B. G. Gawande (Ex-Dist. & Sessions Judge) whose studied, experienced and seasoned personality impressed me a lot and ultimately inspired me to select the Consumer Protection Act, 1986 as the subject of my research work. I made up my mind to get myself registered for Ph. D. in law, in consequence of the encouragement by Dr. Shivaraj Nakade, Ex. V. C. of Dr. B. A. M. University, Aurangabad and Dr. B. N. Chavan, Retd. Principal of Law College, Nanded.

On the basis of the inspiration and informations I received from Shir Gawande B. G., I started my studies but felt a strong need of any expert and renowned lawyer. Fortunately, I got the same in Dr. Vijay Chitnis. Ex Dean & Head of the Department of
Law, University of Mumbai and at present Member of Human Rights Commission, Maharashtra State, Mantralaya, Mumbai. He gave his kind consent to internally guide me and I must admit that I could not have initiated the work of research without the guidance and enlightenment of my respectable guide, Dr. Vijay Chitnis.

Moreover, I was successful to receive assistance of Dr. P. C. Warke, Dean and Head, Dep't of law, Mumbai University, Dr. Miss Rajeshri Varadhi, Member S. C. D. R. Commission, Mumbai, Dr. Suresh Mane, Reader, Dep't. of Law, Mumbai University.

I am highly grateful to Dr. K. I. Vibhute, Professor and Head, Dep't of Law, Pune University, Principal Degaonkar R.S., Dean, Faculty of Law & Prof. Incharge, P.G. Studies in Law of Dr. B. A. M. University Aurangabad, Principal A. K. Bogale, Dayanand College of Law, Lature, Principal Dr. B. S. Dhengale, Prof. Dr. N. V. Kalyankar, Vice Principal, Y. M. Nanded, Principal Govind Gopchede R. I took efforts for years together and then I could prepare a body of my research work but my friend Prof. Noorullah B. Khan put the 'Life' in the body of this thesis. I can never forget the callous support and valuable co-operation of Prof. Noorullah B. Khan in completing this work.

It took more than three years to complete my research work during which period my family members including my better half Mrs. Jaya Patil and my children, who spared no stone unturned and took lot of pains to help me in collecting the material and getting the same preserved, type written and printed. On this occasion I fondly remember my parents late Shir Gangaram Patil and my late mother Sow. Laximibai Patil as their blessings from the heaven have immensely helped me in becoming what I am today.

I am very much indebted to Shri R. N. Khandil, Shri M.G. Arlikar, renowned Advocates of Nanded, Prof. Dr. Krantikumar Sharma, Prof. S. L. Hassekar, Prof. N. Q. Quadri, Prof. M. B. Ali. I am immensely benefitted by the discussions I had with them at the various stages of the work.

I must mention here that the good wishes, support and inspiration of all the office-bearers of the S.S.B.E. Society, especially Hon’ble Shir. S. B. Chavan, Ex-Union Minister for Home Affairs, Hon’ble Ashokeraoji Chavan, Minister for Revenue
