ACKNOWLEDGMENTS

A big thank you to everyone who inspired, motivated and supported me through this journey.

Dr. Sujata, for guiding me through the process, encouraging me at every step, and giving me the right amount of space and push... Thank you for always being there, for going over my transcripts and drafts, for bringing a fresh perspective whenever I was stuck, for making time for me over semester breaks, and for all the long lunch discussions. I have learnt a lot from you through this time.

Dr. Vindhya and Dr. Geeta, for being on my Doctoral Advisory Committee and giving their valuable inputs. Your support and encouragement at every stage of the research was deeply appreciated.

Dr. Surinder Jaswal, Deputy Director, Research and Development, for her support.

My colleagues at the School of Human Ecology, for understanding the demands of PhD work.

The participants of the study for making time for my research, giving me permission to ask questions and letting me enter into their lives. Thank you for sharing your ideas, beliefs and life stories. Your interest, engagement and patience enriched me in both personal and professional ways. The time I spent with each one of you has stayed with me.

Krutika and Hamsini for proof reading and more.

Thakur for driving me all over Mumbai to get the interviews done... Vandana, Anandi and Supriya for unknowingly helping me in many ways.

Pallavi, Shweta, Shveta, Aarti and Poornima for the pep talks. Thank you for inspiring me to push the boundaries.
Monica, Rachna and Shruti for the evenings out. Thank you for tolerating me through all the ups and downs and allowing me to carry my laptop on our coffee dates.

Kiran Ma’am, Jayanti Ma’am, Rachna Ma’am, Shanti Ma’am and Gita Ma’am for the unconditional love. Thank you for believing in me.

Everyone in my family, for encouraging me. I feel blessed to have all of you in my life.

Raghav and Avni for being the best… patiently waiting for me to complete my writing, giving up on holidays and never falling short of encouraging words. Your love kept me going.

Bhai, for being there for me right from the start.

Siddharth, for being him.

Dad, for letting me dream.

And to everyone who helped me knowingly or unknowingly through this time.
