ACKNOWLEDGEMENTS

Although the task of this project is undertaken by one person but in reality it is bringing out of ideas of seniors, colleagues, friends and experts in the field of physiotherapy and this is all God’s Grace and kindness that this project has come to completion. I bow in reverence to the LORD ALMIGHTY whose blessings have helped me through out my project work.

With extreme gratitude, I wish to express my heartfelt thanks my Supervisor, Dr. Jaspal Singh Sandhu, M.S, DSM, FASM, FAIS, Dean, Professor & Head, Department of Sports Medicine & Physiotherapy, Guru Nanak Dev University, Amritsar, Punjab for his invaluable guidance and tremendous efforts in carrying out this project from its inception to completion. He did a lot of efforts and gave personal attention for the successful completion of this study.

My special thanks to my Co- Supervisor Dr. Vijay I, Ph.D, Professor, Laxmi Memorial College of Physiotherapy, Mangalore, Karnataka whose guidance and support kept me ongoing through the difficulties faced during the study.

I express my thanks to Dr. Shyamal Koley, DR. Shweta Shenoy and Dr. B.R. Nanda faculty members of Department of Sports Medicine & Physiotherapy for providing me timely guidance for the thesis.

I am also thankful to Dr. Subramaniam, Ph.D, Biostatistician, ICMR for his invaluable guidance in the field of statistics.

I would like to thank all the subjects who participated in the study without their cooperation this project would not have been possible.

Finally, my warmest thanks to Kunu, Annaddie, Jitu, Kalia and my mother for their constant support and belief in me during the last years.

Jasobanta Sethi
