Very proudly I take this opportunity to express heartfelt thanks to my wife Ritika Soni. Their affection has always been the great inspiration for me to patient and to concentrate on my work during my tough periods. They stood by me when I felt down, but for the sincerity of their good wishes, power of their blessings and warmth of their love, the completion of this work would have remained a distant dream. Words cannot justify my encompassing debt for their ineffable love and incessant inspiration. Their abundant affection, encouragement and moral support were the constant source of inspiration for me.
