ACKNOWLEDGEMENT

I have immense pleasure to acknowledge my sincere and heart-felt gratitude towards my revered teacher, Dr (Mrs) Paramjeet Kaur Dhindsa, Professor, Punjab School of Economics, Amritsar for her thorough and insightful guidance during the entire stretch of this work. The amount of interest she took in the study should only come from a sense of commitment and involvement. But for her encouragement, expert guidance, untiring efforts and valuable advice, I would not have been able to complete my work in the present form.

With profound gratitude I thank, Dr R.S. Bawa, Retired Professor and Registrar, Punjab School of Economics, Amritsar for valuable suggestions and support in completing the study. I express my sincerest thanks to Dr. Raikhy, Retired Professor, Punjab School of Economics, Amritsar for providing me suggestions for the completion of this study.

I am thankful to Dr. Vikram Chadha, Professor and Head, Punjab School of Economics, GNDU, Amritsar for providing me all facilities for my research work. I express my deep sense of gratitude to Dr. Parminder Singh, Dr. Paramjit Nanda and to Dr. Kuldip Kaur, Punjab School of Economics, GNDU, Amritsar for their encouragement.

I am thankful to S. Mukhtiar Singh, Librarian and S. Bakhtawar Singh, Restorer, Punjab School of Economics, Guru Nanak Dev University for their help in the use of library. Thanks are also due to the library staff of Delhi University, Planning Commission, Institute of Economic Growth, Jawahar Lal Nehru University (JNU), New Delhi and Bhai Gurdas Library, Guru Nanak Dev University, Amritsar.

I do not find appropriate words to pay my gratitude towards my families - both my parents and my in-laws. My parents (S. Ajit Singh Bhatia and Mrs. Gurmeet Kaur) always motivated me to do Ph.D. My in-laws, especially my grandfather (Brig. Mohinder Singh) and mother-in-law (Mrs. Surinderpal Kaur) had a dream to see me with degree of Ph.D.
I am failing in my duty, if I do not acknowledge the ever present support, guidance and motivation of my husband S. Rupinder Singh. He has helped me a lot in computer work and was always with me whenever I looked up to his help during the course of my research work.

I would also like to acknowledge the work of other economists from whose work I have benefitted. I am also thankful to S. Sukhdev Singh, Programmer, Computer Centre, Guru Nanak Dev University, Amritsar for his contribution in computer work.

Last, but not the least, I warmly appreciate the support, inspiration of all my family members and friends. I sincerely thank them all.

Dated: Seozy Bhatia
