ACKNOWLEDGEMENTS

With profound sense of gratitude, I take it as a highly esteemed privilege in expressing my sincere thanks to my supervisor and guide, Dr. Hardeep Singh, Professor, Department of CSE, Guru Nanak Dev University, Amritsar, for his technical guidance, sound advice, excellent supervision, valuable suggestions and ever available help during the entire course of this dissertation. Without his wise counsel and able guidance, this dissertation would not have been completed in this manner.

I am earnestly indebted to Dr. Kawaljit Singh Kahlon, Professor and Head, Guru Nanak Dev University, Amritsar and for his valuable and constant assistance, cooperation and guidance during my work.

I am extremely grateful to Dr. Ajay Sharma, Professor and Head, Department of CSE, and Dr. Arun Khosla, Assistant Professor, Department of ECE, National Institute of Technology, Jalandhar for their technical and moral support all along this research work.

I also wish to express my sincere thanks to the staff of CSE department and computer laboratory authorities for providing me help and cooperation during this dissertation.

This acknowledgement would be incomplete if I don’t mention the emotional support, love, blessings and encouragement provided by my family. I will also like to thank all my dear friends and well-wishers whose good wishes helped me during the dissertation.

Finally, I bow to the Almighty who gave me the strength to carry out this work with sincerity and dedication.

Paramvir Singh
