Acknowledgement

There are some people who are great and some people who are good, but very few people are both great and good. I have no actions or words that would be adequate to express my sincere gratitude, appreciation and reverence to my august guide and mentor, Prof. Indira Dhull, Dean, Colleges Development Council, Maharshi Dayanand University, Rohtak for her constructive and ever available guidance, incessant inspiration and valuable suggestions at all the stages of this mammoth project right from its inception till completion. Her enlightening storehouse of knowledge, farsightedness, eloquence and above all mastery over the subject inspired me throughout my way to complete this challenging task. I find myself highly fortunate and gratefully privileged to have worked under her supervision and guidance. She will always be a source of inspiration for me in all my future endeavours.

My sincere thanks are also due to various eminent personalities who extended their support directly or indirectly in relation to my area of research at various places. I owe my gratitude to Prof Hemant Lata Sharma, Dean & Head, Department of Education, Maharshi Dayanand University, Rohtak, Prof A. K. Kalia and Prof Madhu Gupta Department of Education, Maharshi Dayanand University, Rohtak for their constant support. My thanks is also due to Prof. Radhey Shyam, Department of Psychology, Maharshi Dayanand University, Rohtak for helping me in statistical analysis and Prof Vandana Mehra, Department of Education, Punjab University, Chandigarh for her help and support.

My sincere gratitude also is due to the entire staff (teaching and non teaching) members of Department of Education, Maharshi Dayanand University, Rohtak for their constructive comments and suggestions on my research work.

I offer my regards to scholars Mr Anil Kumar and Ms Sangeeta who supported me in every respect in the completion of this thesis. I am indebted to institutions for their sincere support during the course of my study. The researcher’s thanks are due to all the Principals and teachers of selected schools for their assistance in data collection.

I owe my greatest appreciation to my father Sh. Sohan Singh and my mother Smt. Swarn Kaur, who have shown undeterred belief in me through thick and thin. The incomparable
appreciation to my wife Ms Chetna Jathol, who has been my best guide and friend all through my study, for her care, sacrifice and excellent support during this research work. Thanks are also due for my sister in law, Ms Anjali Bajwa, for her untiring and methodical support in editing of my written work.

Above everything, I must express heartiest gratitude to Waheguru for providing me with His wonderful blessings that helped me to have patience at critical times and complete the research successfully.
