ACKNOWLEDGEMENT

It is with an overwhelming sense of gratitude that I wish to express my thanks to my most respected and learned teacher Prof. (Miss) Rama Mitra, M.S., DGO, FAIMS and Head Department of Obstetrics and Gynaecology, M.L.B. Medical College, Jhansi. She was always available with ready invaluable suggestions and unending encouragement which has played an important role in the successful completion of the present voluminous work.

I am greatly indebted to my guide Dr. (Mrs.) Mridula Kapoor, M.S., Associate Professor in the Department of Obstetrics and Gynaecology, under whose able guidance, supervision and immense help I had the opportunity to carry out this work. Her inspiration fostered me greatly throughout the study.

I also owe my sincere thanks to Dr. (Mrs.) Usha Agarwal, M.S., Associate Professor in the Department of Obstetrics and Gynaecology and Dr. S.P. Singh, M.Sc., Ph.D., Associate Professor and Head of the Department of Biochemistry, for their patience in elucidating the various aspects of work carried out in this volume since without their support, the accomplishment of a project of such magnitude would have been impossible.
I also wish to express my sincere gratitude to all the members of the Department of Obstetrics and Gynaecology in particular Dr. (Mrs.) Sunita Arora, M.S., Associate Professor, Dr. (Mrs.) S. Sharma, M.D., Assistant Professor and Dr. (Mrs.) S. Kharakwal, M.D., Assistant Professor for their expert guidance throughout the course of study.

I deeply value the advice and assistance given by my colleagues during this study.

I bow in reference to my lady subjects who have formed the material for this study.

I also wish to thank Sri Kanhaiya Lal who has industriously worked in typing this manuscript.

Lastly I would be failing in my duty if I do not express my gratitude towards my mother, parent-in-laws and my husband whose affection, sacrifices and patience build in me sufficient strength to complete this gigantic task and to them I sincerely dedicate this work of mine.
