Acknowledgement

It is my privilege to acknowledge my gratitude to various individuals who extended co-operation at different stages of this study. But sometimes words may not be able to convey ones feelings in right spirits.

I am deeply indebted to Dr.(Mrs.) S.M. Mohal, former Librarian of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. She has very insight into the subject. I am really very lucky to work under such a person who left no stone unturned to fabricate this thesis and despite her numerous engagements, made herself available. She not only has guided my Research Work, but also taught me the way of facing the most difficult situation with cold temper. I feel that, I can never repay her for the cooperation untended support and encouragement and the love and affection which, I received from her all these days.

It is beyond my research to express my deep sense of gratitude for the proper guidance and concrete suggestion of Dr. Shakuntala Lomte, Librarian, Dr. Babasaheb Ambedkar Marathwada University Library, Aurangabad.
My Sincere thanks are reserved for all the respondents in Social Science who gladly filled in a very lengthy questionnaire and spared time for the interviews. Without such an overwhelming response from these respondents no meaningful study would have been possible.

I sincerely thank all the respected teachers of Library and Information Science Department as Dr. A. A. Vaishnav, Mrs. Vaishali S. Khaparde, Mr. Vijay Deo, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.
