ACKNOWLEDGEMENTS

Any work of this nature and magnitude requires co-operation and help of various people. It is however impossible to mention the names of all those who have helped me in fulfilling this work. However I would like mentioning some of them who have always been my well-wishers.

I am very much indebted to my supervising guide Dr. S.G. Bhat, M.A., LL.M., Ph.D., who took great care, concern and interest in guiding me at every stage of the work. He was constructively critical while he read the work and made me understand how hard work can be made interesting. At the same time he put me on the right track in my writing.

I must mention the name of Dr. K. Chandrasekaran Pillai, B.Sc., LL.M., SJD, CUSAT who assisted me in the initial stage of work in formulating the problem. Some of the thoughts he shared with me were very fruitful. I express my deep sense of gratitude to Hon'ble Justice Dr. David Annousamy (Retd.) who found time, to exchange his views on the French system. I also owe my thanks to Hon'ble Justice N. Krishnadattin retired Judge of Pondicherry. His old age was not an impediment to him and he showed all eagerness to share his thoughts on the working of the French Courts.

I also thank all those who responded to the questionnaire. I thank my colleagues who helped me in various ways. I thank Dr. Ganga Devi, B.Sc., M.L., Ph.D., and Dr. Vani Adithan, M.A., M.L., Ph.D., for the constant encouragement they gave me. I must
specially mention the name of Dr. K. Chandrasegaran, B.Com., M.L., Ph.D., for his invaluable assistance in the editing work.

I thank Mr. V. Gopi Swaminathan, M.Sc., P.G.D.C.A., Senior System Analyst, NIC, Pondicherry who assisted me to get information from the internet. I will be failing in my duty if I do not thank my husband Mr. Sankara Raman, B.E., P.G.D.I.E, who gave me constant encouragement and my family members who had to put up with lots of inconvenience at home.

I also thank Mr. Satyanarayana, B.Sc., M.A., M.L.I.S., Librarian of Dr. Ambedhkar Government Law College, Pondicherry and other Library Staff for their assistance in the use of library. My special thanks are due to Mr. Sivacoumare, M.A. B.Ed., for typing and Mr. R. Saravanan, New Link Computers, No. 85, East Coast Road, Chinakalapet, Pondicherry-14 for helping me in compilation of the thesis.

The force behind the entire work is my father late Sri. C. S. Krishnamurthi who initiated me to the research work. Without his gentle goading I would never have finished this work. I thank all my friends and well-wishers who gave me emotional support throughout this venture.
