ACKNOWLEDGEMENTS

I am deeply indebted to my guide Prof. M. R. Kaimal whose guidance and technical suggestions had greatly helped me in doing this research work. His unfailing patience throughout this work and timely help has motivated me in completing the thesis.

I am greatly obliged to Deputy Director, VSSC(SR) and Director VSSC for providing the necessary infrastructure to complete the study.

I am extremely grateful to Dr. Wilscy, Prof. and Head, Department of Computer Science, University of Kerala for providing the necessary facilities for carrying out the research work.

My sincere gratitude to my colleagues Smt. K. Sherine and Sri. Lalit Kumar whose continuous help in carrying out this research greatly helped me to complete the thesis on time.

I gratefully acknowledge the support of all my colleagues like Sri. D. Mohankumar, Dr. C. Geethaikrishnan, Dr. R. Vikraman Nair, Sri. Anil Abraham Samuel with whom I have had many useful discussions. I would also like to thank my well wishers who had gone through the report and given many useful suggestions.

I also wish to place on record my genuine appreciation towards Smt. Siji.S and Ms. Sajana Das who helped in the data entry of this thesis, uncomplainingly going through the numerous iterations.

Last but not least, I wish to acknowledge the strong support provided by my family whose constant encouragement motivated me to complete this research work.
