ACKNOWLEDGEMENT

Today, when I pickup my pen to express my heartiest thanks to all those who helped me realise what I consider so dear, I have no dearth of feelings but only an understanding of the futility of my expressions. For, I am sure, I can never manage to bring forth my sincere gratitude towards all who have meant so much in formation of this thesis. Yet I shall try.

The present research work has been carried out at the department of Maths, Bipin Bihari College, Jhansi. Under the inspiring, constant able guidance and supervision of Dr. Kishore K. Srivastava, Head Department of Maths Bipin Bihari College, Jhansi due to his real criticism argosy of knowledge, meticulous concern for details, immense patience, persistent endeavours and deep sustained interest throughout the course of investigations, the thesis has able to knock the door of the sense. I hereby express my profound gratefulness to my supervisor.

Let it be my privilege to record my hearty gratitude to Prof. P.N. Srivastava. Ex. head of department of Mathematics. Bundelkhand University Jhansi (Presently Director of College of Science and Engineering, Jhansi) for his ceaseless inspiration and passinative treatment during the research period.

I also feel greatly obliged to the respected Prof. V.K. Singh, Pro. Vice Chancellor U.P. Technical University, Lucknow who guided at every stage of research work. his keen interest in my academic and personal welfare and his cordial treatment are greatly acknowledged.
I have no words to give vent to my gratitude to Prof. V.K. Sehgal Head Department of Mathematics Bundelkhand University, Jhansi for his valuable suggestions and constant inspirations during the research work.

In imports me a profound delight in thinking most willingly to Dr. K.M. Agarwal, Dr. Attar Singh, Department of Maths Bipin Bihari College, Jhansi for their sympathetic and kind help in progress of my present piece of work.

I wish to offer my sincere gratitude and regards by heart to my respected in laws, father and mother who very lovingly brought up me and gave me best possible education support, affection blessings and inspiration to make me utmost from next to nothing.

I am highly grateful to my husband Mr. Vinay Litoria, Manager corporate relation and international collaboration Gautam Buddha university Greater Noida for his untiring patience and valuable guidance. He was truly shared the pains of this innovative gestation, which was much longer that it was expected.

I am extremely happy in expressing my thanks to my son Master Shivam for moral support in these dreaded days of over work.

Last but not least my thanks go to Mr. Shahzad, Print Palace, Jhansi for his meticulous and Printing computerizing a neat scientific manuscript.
