ACKNOWLEDGEMENT

I have a sense of distinct honour and feel privileged to have worked under the guidance of reverend and esteemed teacher and research supervisor Dr. S.P.S. Dahiya, Professor and Head, Department of English and Foreign Languages, Maharshi Dayanand University, Rohtak, who always took keen interest in my research work. He has always been a source of constant inspiration and encouragement to me that helped me cross all the hurdles with utmost ease. Without his scholarly guidance and encouraging attitude, the thesis would not have been completed. It has been indeed an extreme privilege and one of the most rewarding experiences of my life to have been associated with a person of his calibre. I convey my personal gratitude to Mrs. Chander Kala, his wife and son Shekhar, Shikha and Sherry, his daughters, for their cooperation and encouragement.

I am grateful to Dr. S.S.
