ACKNOWLEDGEMENTS

The author desires to place on record his sense of gratitude and sincere thanks to Dr. K. C. Narasimhan, Professor, Department of Geology, Research Supervisor, Chairman - Board of Studies and Director, Community Development of S. V. University, Tirupati, for his valuable counsel, constant and untiring guidance and encouragement throughout the course of research work.

The author is grateful to Prof. A. Jayaraman, Vice Chancellor, S. V. University, Tirupati, for accorded permission to carry out the work.

Prof. A. V. Krishna Reddy, Head, Department of Geology, and Prof. A. Narasimhan, the then Head, Department of Geology, S. V. University, Tirupati, are highly thanked for their heartfelt encouragement, motivation and for providing all necessary facilities for the successful completion of the work.

Sincere thanks are also due to Prof. T. Venkatar Reddy, Department of Geology for his constant encouragement and soothing statements, which formed the base for the research carrier.
The interest exhibited, the constructive criticism and the useful suggestions to improve the quality of the work, by Prof. S. Prakasa Reddy, is highly appreciated and immensely thanked.

Prof. A. Venkataramu Reddy, Executive Council Member, P.U. University, Tirupati and Officer on Special Duty, Yogi Vemana University, Kadapa, is thanked for the interest evinced and the encouragement given.

Dr. B. N. Narayana Rao, former Director of the Geological Survey of India is duly thanked for his useful suggestions and planning the field trips during the progress of the work.

Dr. H. Pranayana Rao, CSIR-IRSDRI (Rock Scientist), Department of Geology, is profusely thanked for the motivation and encouragement given, throughout the progress of the work.

Dr. S. Jambudum Nair, Lecturer, BHU, Varanasi, is also thanked for his valuable suggestions and timely help.
But for the co-operation and encouragement by S. V. M. S. Reddy, S. V. S. P. S. Reddy, Shri. S. S. Reddy, P. S. F. the work would not have taken the present shape. All their actions are profoundly thanked.

Shri. K. Neelakanta Bhanu Madhavendra Reddy, Hari Reddy and Shri. N. Thakur Reddy, the then post graduate students are thanked for their help during the field studies.

The work would not have been completed, but for the co-operation and encouragement of family members, Shri. S. Y. Reddy, wife, Shri. V. S. Ravi Reddy, Shri. Muralikrishna Reddy, sons. Their moral support is highly acknowledged and is placed on record.

Shri. N. Ramakrishna Rao, C.I.P. Engineer of Hyderabad is highly thanked for the guidance he accorded in the preparation of the maps.

All the non-teaching members of the Department of Geology are thanked for their kind supportive role, during the progress of the work.
