ACKNOWLEDGEMENT

I feel great pleasure in confessing, that this work has achieved its present form, with the valuable help and constructive suggestions of Dr. B. P. Shrivastava, Co-ordinator, Library and Information Science & Journalism, Institute of Distance Education and Ex-University Librarian, Dr. H. S. Gour University, SAGAR, whose begin encouragement, scholarly guidance, sustained interest and the most valuable and precious time devoted out of his busy schedule, helped and enabled me to complete this work.

I express my profound gratitude to Prof. M.T.M. Khan, Head Department of Library and Information Science & Dean, faculty of Arts, Bundelkhand University, JHANSI for his valuable guidance as Co-Supervisor of the present study and without his help and encouragement this work would not have been completed.

I am deeply obliged to my reverend Principal Dr. P. C. Shrivastava, Principal Lala Lakshmi Narain Degree College, Sirsa, Allahabad, who has always shown me light in all my endeavors.

I with my deepest sense of sincerity, wish to thankfully acknowledge and appreciate the help and co-operation rendered to me by Dr. A. P. Gakhar, University Librarian of Allahabad University.
My sincere thanks are due to the teachers of Allahabad University, whose encouragement and kind co-operation helped me a lot to complete the present study.

I find no words to express my thankfulness and gratitude to my brother Shri Pukhraj Kant Gupta for enshowering his blessings to complete this work, as it was his long cherished desire towards my academic achievement, which inspired me throughout my academic career to start and complete an academic project of this nature.

I would be failing in my duties if I do not express my heartfelt thanks to my husband Shri Ajay Rajendra, Advocate, High Court, Allahabad, who took keen interest, co-operated me and scarified their comforts for providing me an environment conducive for a serious study of this kind, and never grudged against my neglect of duties towards him.

I must express my gratefulness to my sister Smt. Priti Gupta and her husband Shri Prafful Kumar Gupta for their motivation and blessings.

At the end my thanks are due to all the library staff of Allahabad University library and Shri Anil Kumar Shrivastava, computer operator, who has given the typed shape to this thesis and to all those who have directly or indirectly extended their help in the successful completion of this research study.

(Mrs. Ranjana Gupta)
