

ACKNOWLEDGEMENTS

I take this opportunity to express my deep sense of gratitude to my respected supervisor Dr. S.T.NANDIBEWOR, Professor of Physical Chemistry, Department of Chemistry, Karnatak University, Dharwad, for his valuable guidance, novel ideas, critical suggestions and everlasting encouragement throughout my research work. I should consider myself extremely fortunate to have him as my guide, his academic brilliance and perfectional approach are source of great inspiration to me.

I express my sincere thanks to former and present, Chairmen, Dr. B.G.Pujar and Dr. A.H.M.Siddalingaiah, Post-Graduate, Department of Studies in Chemistry, Karnatak University, Dharwad, for providing me all the necessary facilities during the tenure of my research work.

I take this opportunity to thank all the staff members of the Department of Chemistry, Karnatak University, Dharwad, for their kind help and encouragement. I am greatly indebted to the staff members of U.S.T.C., Karnatak University, Dharwad, for providing instrumental facilities.

I acknowledge my gratitude to my beloved and respected parents, Shri. Basappa Chougale and Smt. Balappa Chougale who laid the foundation of my academic pursuit right from my childhood. Their everlasting showering of love, affection and blessings on me are impregnable envelope warding off evils and giving me strength to overcome all the hurdles I faced. Really, I feel very lucky to have such parents who always found the best way to give me advice for what I wanted. They are source of great inspiration to me and I hold them in great esteem. I am

highly indebted to my brothers, Vasant, Chidanand and Mohan and sister-in-laws, Usha and Asha, for their inspiration and encouragement throughout my educational career. I am greatly thankful to my well wishers, Gurappa, Shivakka and Maarudra whose compliments were really conducive to achieve my goal.

I would like to say a special word of thanks to (Dr.(Smt.) Chandranma Kanagali, Dr. B.P.Waghmare, Dr. Y.M.Madar and Dr. M.T.Kamble for their inspiration and encouragement at every stage of my research work. I cannot forget the help rendered by my co-researchers (Dr. Gouri Hiremath, Dr. D.L.Kamble, Dr. P.L.Timmanagoudar, Mr. R.G.Punari, Mr. A.L.Harihar and Mr. M.R.Kembhavi. I take this opportunity to thank them all. I acknowledge with deep sense of gratitude, the encouragement and co-operation given by my friends Raju Kavali, L.J.Madaf, G.Y.Madoni, Rajeev Kamble, Raju Dhumale, Suresh Mane, Vijaykumar Santosh and other friends.

I am very much grateful to the SC/ST Cell, Karnatak University, Dharwad, for providing financial assistance during my research work.

I express my deep sense of gratitude to respected Mrs. Aruna Mandibewoor for her affection, blessing and constant encouragement throughout this research work. Finally as a research student of Chemistry Department, Karnatak University, Dharwad, I have received immense help and encouragement by many staff members and friends, I take this opportunity to thank them all.
