ACKNOWLEDGEMENT

The author wishes to acknowledge his sincere gratitude and indebtedness to Dr. S.C. Puranik, Professor, Department of Studies in Geology, Karnataka University, Dharwad for his invaluable time spent with me during this research work and also for his constant encouragement and inspiring guidance throughout my research work.

I sincerely thank Dr. B.P. Waghmare, Professor and Chairman, Department of Studies in Geology, Dr. V.C. Chavadi, Professor and former Chairman for his blessing and helping hand, Dr. B.S. Machigad, Professor and former Chairman, Department of Studies in Geology for providing all the available facilities to carry out my work and also the encouragement throughout my Ph.D. work.

I acknowledge with thanks the help and cooperation rendered by all the teaching and non-teaching staff of the Department of Studies in Geology, Karnataka University, Dharwad.

I also express my deep sense of gratitude and special thanks to Prof. M.B. Kapileshwari, Department of Civil, G.I.T. Belgaum for his help during the compilation of my thesis and Dr. R.P. Joshi, Prof. and Head of Civil Engg. Dept., Gogte Institute of Technology, Belgaum for his constant encouragement and help. I extend my sincere thanks to my colleagues of Civil Department for their constant help in the preparation of this thesis.
Many individuals and institutions have helped me in the preparation of this thesis. I thank Dr. V.S. Singh, Scientist, NGRJ, Shri V.H. Nadgouda, Geophysical Unit, M.G.D. Belgaum for providing VES data and authorities of Navilutirth dam site for Meteorological data, Shri Deshpande and Shri, Parute of NRDMS Belgaum for providing meteorological data of Sambra.

Special thanks are due to Shriyuts Shripati Hegde, Prof. M.S. Katti, Dr. A.K. Abbi, Shri Shripati Hegde, Shri G. Sreenivasam and Dr. A.S. Vaidya during my field work. I sincerely thank Prof. V.K. Naik, for his help during water sample analysis, Prof. V.G.M. Desai for his help during soil sample analysis.

I also thank Shri G.V. Katti, Shri V.K. Bengeri and Prof. G.M. Wagh for their help in preparing the thesis.

Dharwad
