LIST OF TABLES

Table 3.1: Management of Management College Libraries and their Year of Establishment 72
Table 3.2: Distribution of the sample by type of management and type of accreditation 73
Table 3.3: ISO certification by Management College Libraries 74
Table 3.4: Age-wise Distribution of respondents of Management College Libraries 74
Table 3.5: Gender-wise Distribution of Respondents of Management College Libraries 75
Table 3.6: Distribution of the sample by type of management and educational qualification of the respondents 75
Table 3.7: Professional experience of the respondents 76
Table 3.8: Total collections of books: Print versions volumes 77
Table 3.9: Total collections of books: Print versions titles 77
Table 3.10: Total collections of National Journals: Print versions 78
Table 3.11: Total collections of International Journals: Print versions 79
Table 3.12: Total collections of Bound Volumes of Journals: Print versions 79
Table 3.13: Total collection of project reports: Print versions 80
Table 3.14: Total collection of patents: Print versions 80
Table 3.15: Total collections of Standards and Specifications 81
Table 3.16: Total collection of Reports: Print versions 82
Table 3.17: Total collection of E-books: Electronic versions 82
Table 3.18: Total collection of E-journals (Full text) 83
Table 3.19: Total collection of E-journals (Abstracts) 83
Table 3.20: Total collections of multimedia: Electronic versions 84
Table 3.21: Total collections of Bibliographic Databases 85
Table 3.22: Total collections of Full Text Databases 85
Table 3.23: Total collections of CDs 86
Table 3.24: Total collections of management educational DVDs: Electronic versions 86
Table 3.25: Total collections of NPTEL: Electronic versions 87
Table 3.26: Addition of books during 2009-10
Table 3.27: Addition of books during 2010-11
Table 3.28: Addition of books during 2011-12
Table 3.29: Addition of E-books during 2009-10
Table 3.30: Addition of E-books during 2010-11
Table 3.31: Addition of E-books during 2011-12
Table 3.32: Budgetary allocation for Books
Table 3.33: Budgetary allocation for E-books
Table 3.34: Budgetary allocation for journals
Table 3.35: Budgetary allocation for E-journals
Table 3.36: Budgetary allocation for CD ROM Databases
Table 4.1: Mean observed and expected values of various components of TQM and results of one sample ‘t’ tests.
Table 4.2: Mean maximum possible and obtained values of various components of TQM with rankings
Table 4.3: Mean scores on various components of TQM by respondents in different accreditation levels and results of one way ANOVA
Table 4.4: Mean scores on various components of TQM by respondents in different accreditation levels and results of one way ANOVA
Table 4.5: Mean scores on various components of TQM by respondents in different accreditation levels and results of one way ANOVA
Table 4.6: Facilities in Management College Libraries
Table 4.7: Facilities in Management College Libraries
Table 4.8: Services in Management College Libraries
Table 4.9: Mean scores on TQM components of leadership of different management colleges and results of one way ANOVA
Table 4.10: Mean scores on TQM components of staff management of different management colleges and results of one way ANOVA
Table 4.11: Mean scores on TQM components of Training and development strategy of different management colleges and results of one way ANOVA
Table 4.12: Mean scores on TQM components of Processes of different management colleges and results of one way ANOVA
Table 4.13: Mean scores on various components of TQM of different management college libraries by ISO certification and results of one way ANOVA

Table 4.14: Mean scores on various components of TQM of different management colleges by establishment years and results of one way ANOVA

Table 4.15: Mean scores on various components of TQM of different management colleges by establishment years and results of one way ANOVA

Table 4.16: Mean scores on various components of TQM of respondents with different levels of education and results of one way ANOVA

Table 4.17: Mean scores on various components of TQM of respondents with varied levels of experience and results of one way ANOVA

Table 4.18: Mean scores on various components of TQM of respondents with varied levels of experience and results of one way ANOVA

Table 4.19: Mean scores on various components of TQM of male librarian’s and female librarian’s respondents and results of one way ANOVA

Table 4.20: Mean scores on various components of TQM of respondents belonging to different age groups and results of one way ANOVA

Table 4.21: Mean TQM scores of different management college libraries with inadequate, adequate and excellent facilities and results of One way ANOVA

Table 4.22: Mean TQM scores of different management college libraries with inadequate, adequate and excellent facilities and results of One way ANOVA

Table 4.23: Mean TQM scores of different management college libraries with inadequate, adequate and excellent services and results of One way ANOVA

Table 4.24: Mean TQM scores of different management college libraries with inadequate, adequate and excellent services and results of One way ANOVA

Table 4.25: Opinion about various statements on leadership component of TQM
Table 4.26: Opinion about various statements on leadership component of TQM
Table 4.27: Opinion about various statements on leadership component of TQM
Table 4.28: Opinion about various statements on leadership component of TQM
Table 4.29: Opinion about various statements on leadership component of TQM
Table 4.30: Opinion about various statements on leadership component of TQM
Table 4.31: Opinion about various statements on policy and strategy component of TQM
Table 4.32: Opinion about various statements on policy and strategy component of TQM
Table 4.33: Opinion about various statements on policy and strategy component of TQM
Table 4.34: Opinion about various statements on policy and strategy component of TQM
Table 4.35: Opinion about various statements on policy and strategy component of TQM
Table 4.36: Opinion about various statements on policy and strategy component of TQM
Table 4.37: Opinion about various statements on policy and strategy component of TQM
Table 4.38: Opinion about various statements on policy and strategy component of TQM
Table 4.39: Opinion about various statements on staff management component of TQM
Table 4.40: Opinion about various statements on staff management component of TQM
Table 4.41: Opinion about various statements on staff management component of TQM
Table 4.42: Opinion about various statements on staff management component of TQM
Table 4.43: Opinion about various statements on staff management component of TQM 142
Table 4.44: Opinion about various statements on staff management component of TQM 143
Table 4.45: Opinion about various statements on staff management component of TQM 144
Table 4.46: Opinion about various statements on staff management component of TQM 145
Table 4.47: Opinion about various statements on team work component of TQM 146
Table 4.48: Opinion about various statements on team work component of TQM 147
Table 4.49: Opinion about various statements on team work component of TQM 148
Table 4.50: Opinion about various statements on Training and development strategy component of TQM 149
Table 4.51: Opinion about various statements on Training and development strategy component of TQM 150
Table 4.52: Opinion about various statements on Training and development strategy component of TQM 151
Table 4.53: Opinion about various statements on resources component of TQM 152
Table 4.54: Opinion about various statements on resources component of TQM 153
Table 4.55: Opinion about various statements on resources component of TQM 154
Table 4.56: Opinion about various statements on resources component of TQM 155
Table 4.57: Opinion about various statements on resources component of TQM 156
