I express my deep sense of gratitude to my guide Dr. N.N. Awasthi Ph.D., D.H.E. Dept of social Work B.U. Jhansi(U.P.) for his constant inspiration & supervision. Despite his heavy engagements, he gave ample time, when ever required, for his guidance. He held informal discussion on every aspect of the work that facilitated the task many ways. A dept like this can hardly be paid-off.

I could always count on the benevolence and encouragement I received from my parents Mr Zaheer Uddin Ahmad and Mrs Sabiha Shaheen and grandma Mrs Shamsun nisa, Mrs Najmun nisa for their inspiration encouragement and help in the completion of my work. They have, since very beginning, monitored the programme of my work. In the absence of their concern, I would have never thought to undertake this type of work.

I'm greatly indebted to my husband Mr. Laiq Ahmad for his love and support, he kept me completely absolved of all the domestic responsibility, so that I could concentrate on the work single mindedly. However, it would be too facetious and formal to thank him in mere words.
I convey my sincere gratitude to my father-in-law Mr. Latif Ahmad & mother-in-law Mrs. Saida Naaz for their blessings and help in my work.

I am venerably grateful to my brother Mr. Javed Akhtar and sisters Ms. Asma Tabassum & Ms. Zeenat Kauser.

My profound thanks are due to Ms. Arpita Dev and Mr. Alok Dev for their support and help.

Lastly, I offer my wholehearted gratitude to all those not mentioned above who helped in my work in various ways. I cannot forget their benevolence and generosity.
