ACKNOWLEDGEMENTS

I wish to express my deep gratitude to my guide, Dr. Shobha A. Udipi, Professor, Head Department of Food Science and Nutrition and the Director of Postgraduate Studies and Research, S.N.D.T. Women’s University, for her constant support and guidance. Her keen interest and intellectual insights during all stages of this research work have been instrumental in completion of this project. I indeed feel fortunate to have had the expert guidance of Dr. Udipi.

Dr. Padmini Ghugre was a source of support for me throughout this research work, and I thank her for the same.

I am extremely grateful to Mrs. Mrunmayee Bhave, Principal, Gurukul Day Boarding School, Pune for choosing me to conduct this project in the school and giving me all the co-operation needed. Her insistence on serving balanced meals in the school and her faith in nutrition education has been very reassuring. I also thank Mrs. Simran Singh, Vice-Principal, Gurukul Day Boarding School, Pune for including nutrition education in the curriculum as well as her constant support. I thank the teachers and staff of the school for their active participation in this project, especially Mrs. Shubhalakshmi Naik for imbibing the importance of ‘Satvik food’ on children’s minds.

I am extremely thankful to all Gurukul children for their enthusiastic participation in the various education modules. Working with them has given me immense joy and happiness which I will always cherish. I thank the parents of all Gurukul children for participating in the education modules conducted for them.

My special thanks are due to Mrs. Anupama Desai, a senior faculty member of Department of Early Childhood Education at S.N.D.T. Home Science College, Pune. She helped in designing and executing the modules for school children through her students. I thank all the ‘student-teachers’ of that department for taking special efforts right from
writing the scripts for puppet shows and dramatization until the impressive presentation of various modules to the children of Gurukul school.

I thank Mrs. Swapna Deshpande for the detailed statistical data analysis.

I express immense gratitude to Yogacharya B.K.S. Iyengar, Geeta Iyengar antl Baba Saswadkar for giving me the courage and faith that I needed to complete this project.

Last but not the least, I express my deep gratitude to my parents. My special thanks to my son Varun for helping me during all the phases of the study.
