LIST OF TABLES

1. The Reliability Co-efficients for the Preliminary Forms of the E.A.T., the M.A.T., and the S.A.T.  92

2. The Total Numbers of Items in the E.A.T., the M.A.T., and the S.A.T. Before and After Item-Analysis together with the Time-Limits for the Final Form  101

3. The Reliability Co-efficient for the Five Creativity Instruments  128

4. The Item-Sum Correlations for each of the Five Creativity Instruments  129

5. The Reliability-Co-efficient for the S.P.M.  131

6. The Inter-Correlations among the Five Creativity Measures  132

7. The Correlation between the Creativity and the Intelligence Measures  133

8. The Reliability Co-efficients for the Three Achievement Tests  135
9. Mean Examination Marks in English for the Eight Groups

10. Mean Examination Marks in Mathematics for the Eight Groups

11. Mean Examination Marks in Science for the Eight Groups

12. Mean Score on S.A.T. for the Four Groups

13. Mean Score on M.A.T. for the Four Groups

14. Mean Score on S.A.T. for the Four Groups

15. Mean Examination Marks in English, Mathematics and Science for the Four Groups

16. Mean Examination Marks in English, Mathematics and Science with the Results of t-tests Between the Subjects.

17. Mean Achievement Test Scores in English, Mathematics and Science for the Four Groups

18. Mean Achievement Test Scores in English, Mathematics and Science with the Results of t-tests Between the Subjects
