ACKNOWLEDGEMENT

It has been certainly a stimulating experience to work under my Supervisor, Dr. SAMBHAV GARG, Assistant Professor, MM Institute of Management, Maharishi Markandeshwar University, Mullana-Ambala, (HR) India. It is a matter of great pleasure for me to place on record my gratitude for his competent and perfect guidance, valuable opinions and healthy criticism, which have gone a long way in enabling me to complete this project successfully. Infact, words can hardly convey the measure and abiding gratitude that I owe to my Supervisor who despite busy schedules and multiple responsibilities not only provided me valuable guidance but also cultivated in me a deep passion for the subject under study.

I also wish to extend my heart-felt thanks and appreciation to Dr. Anil Chandhok (Principal, MM Institute of Management) and Dr. Roshan Lal (Professor & Head M.Phil. & Ph.d. Programme), MM Institute of Management, Maharishi Markandeshwar University, Mullana-Ambala, (HR) India for their constant co-operation and support.

A special thanks goes to all my friends and colleagues for their timely help, guidance, support and suggestions.

Of course, nothing could have been possible without the grace and blessings of Almighty GOD and my reverend Family.
