ACKNOWLEDGEMENTS

I extend my sincere gratitude towards my research guide Dr. N. G. Shewale for guiding me to complete doctorial research on the topic “Development of Prototype Model of Centralized Library System of Sinhgad Institutes Higher Education Libraries Using Open Source Software for Enhancing Library Services”. I shall ever remain deeply indebted to him for his inspiring encouragement and continuing support throughout my research work. This study would have remained incomplete without their expert guidance and encouragement.

I would sincerely like to thank, “Tilak Maharashtra Vidyapeeth, Pune” for giving me an opportunity to do this research. I am also thankful to Prof. M. N. Navale (Founder of Sinhgad Institutes), Mrs. Sunanda Navale (Vice President, Sinhgad Institutes), Mr. Rohit Navale (Secretary of Sinhgad Institutes), Mrs. Rachana Navale (Head of Human Resource Department, Sinhgad Institutes), Mr. Sanjay Navale (Jt. Secretary, Sinhgad Institutes), Campus Director, Mr. Ashok Navale, Prof. (Dr.) A.V. Deshpande (Director) and Mr. Abhay Joshi (Chartered Accountant, Sinhgad Institutes) for giving me permission for research in Sinhgad Institutes.

I extend my special thanks to Prof. (Dr.) N. B. Dahibhate, Prof. (Dr.) D. N. Phadke, Prof. (Dr.) Amita Pradhan (Head Librarian, Group of Sinhgad Institutes), Prof. (Dr.) Sunita Barve, Prof. (Dr.) Dhanishtha Khandare (HOD, Library & Information Science Department, Tilak Maharashtra Vidyapeeth, Pune), Prof. (Dr.) V. S. Mangnale, Prof. (Dr.) B. J. Mohite, Prof. (Dr.) Anita Mane, Prof. Anjali Upadhye, Prof. Amit Agarwal (IT expert) for their timely cooperation and support to give me required information and proper direction. I am very much thankful to, Mr. D. C. Pardesi and Mr. N. R. Chaudhari, (GIPE, Pune) who encouraged and motivated me to complete this research work.

I am very much thankful to Prof. D. I. Navale and all my Sinhgad family along with all the library staff members, who encouraged and motivated me to complete this research work.
I also have to mention the name of some my relatives, especially to Mr. Shriram Vaidhya and my sister Mrs. Sushma Vaidhya and my friends Mr. Raju Kulkarni, Mr. Ganesh Khandgale, Mr. Prashant Supekar, Prof. Sachin Kodad, Prof. C. M. Hiremath and Mr. D. B. Bhoite and those who have helped me directly and indirectly to complete my research work. Lastly I have extended my special thanks to my parents, my wife and my son who morally supported me to complete this research work.
