ACKNOWLEDGEMENT

The great desire to acquire higher qualifications and pursue the research drove me to promise my parents, teachers, relatives and my friends, a useful research work. My promise was to live up to their expectations, and I kept been my word. I thank my parents for instilling in me confidence and a drive for pursuing my PhD.

I am highly obliged to my esteemed supervisor, Dr. Gyan Prakash Mishra, Scientist, DIHAR and Dr. Pradeep Kumar Naik, Associate professor, JUIT, I extend my deepest sense of gratitude for their encouragement, unfailing support, cogent criticism and constructive thoughts. Their strong research insight made me avid and enthusiastic to do this work with vigor and interest. I could not have imagined having a better advisor and mentor for my PhD study. I deem it a privilege to be a scholar doing research under.

I owe a word of gratitude to Dr. R. B. Srivastava, Director, DIHAR, DRDO, C/o 56 APO, Leh-Ladakh, and Dr. Shashi Bala Singh, Director DIPAS, Delhi (formal Director, DIHAR) for providing obligatory facilities to carry out the research work.

I am indebted to Dr. Ravi Prakash (Vice Chancellor, JUIT), Dr. Y. Medury (CCO, JUIT), Brig. (Retd.) Balbir Singh (Registrar, JUIT) and Prof. R. S. Chauhan (HOD, BT & BI Department). They have throughout helped me in providing all kinds of scientific and administrative assistance to carry out my research work. Present research work would not have been possible without the assistance and active support of the administrative and teaching staff of JUIT. I feel thankful to Dr. Harvinder Singh, Dr. Anil Kant Thakur, Dipankar bhai and Jatin for their critical guidance and kind co-operation.

I feel indebted to Dr. Raghwendra Singh (Senior Scientist, Directorate of Weed Science Research, Jabalpur.) and Dr. Sunil Jadhav (Scientist, DRDE, Gwalior). Their vast knowledge, constant attention, inspiration, helpful suggestions, lively discussions, constructive criticism and confidence in me were of great help in completion of this thesis work.
I cherish the years spent in DIHAR. This research work would not have been possible without the guidance and active support of the scientific and administrative staff of DIHAR. Therefore, in so many ways, I feel indebted to Dr. Basant Ballabh, Sh. Swami saheb, Sh. Targais for their assistance and valuable contributions. I also thank to Sh. Mohd. Bakir (Haji baba) and labor staff of ARU Division for their priceless assistance.

I am very fortunate to have wonderful colleagues Sunil sir, Jitendra, Girish, Gurucharan, Amol, Prabodh, Ashish, Priyanko, Vijay, Prabhat, Jatinder, Richa, Saroj and friends Pawan, Ram, Prashant sir, Vinod sir, Sunil, Amit, Kailash who have always been a constant source of inspiration and helped me in a numerous ways. They have throughout helped me in providing all kinds of assistance to carry out my research work.

I shall remain ever grateful to my school and college teachers specially Prof. A. D. Choudhary, Dr. Nitin Dongarwar, Dr. D.P. Gogle as well as seniors Dr. Rupesh Badere, Dr. Sandeep Hue, Dr. Deespi Suaji, Dr. Watalte Tagade, Dr. Mahesh Kuwaie, Dr. Bhupesh Mendhe, Mr. Shailesh bansod, Dr. Shailendra Gurav, Dr. Manisha Das who has always been inspirational for putting in hard work.

Finally, I extend my deepest sense of gratitude to my Aai and Baba who believed in me and whose support, love, endurance and blessing made me complete this thesis with eager and sincerity. My indebtedness extends to Ashoo, Tai and all relatives for their affectionate motivation, devotion to support me during a specially demanding period of life. Lastly, I extend my apologies to anyone I failed to mention.

(Manish S. Bhoyar)
