ACKNOWLEDGEMENTS

First I have to bow my head before the Almighty for His perennial shower of blessings, which enabled me to accomplish this task with all its phases of ups and downs.

I would like to express my heartfelt gratitude to my supervisor, Dr. Madihur Rehman Suhaib, who in spite of his busy schedule devoted a lot of times for this work. I would like to thank him for his benign presence and cooperation extended at all the times. Without his compassionate supervision, the accomplishment of this effort would not have been possible.

Similarly I owe special thanks to Professor S.N. Zeba, the Chairman, Department of English, for providing all the necessary facilities during the course of this work. I would also like to thank Nazrul Islam, my favourite teacher, who made me realize my potential to tread in the world of English literature. I am thankful to Dr. Mijanur Rahman for his generous support during research.

I wish to thank Mr. Khan Parvaiz, Incharge of the Seminar Library, and staff members of Department of English, Aligarh Muslim University. Special thanks go to the staff of Maulana Azad Library, AMU, Aligarh, Ratan Tata Library, Delhi University, New Delhi, Jawaharlal Nehru University, New Delhi, National Library, Kolkata, British Council, New Delhi, Library of Indian Institute of Advanced Study, Shimla, for their cooperation to access relevant research materials.

Words like ‘dedication’, ‘gratitude’, ‘indebtedness’ appear insignificant when acknowledging my Ma and Abba. My eyes become moist when I remember continuing support, encouragement, guidance and inspiration of my Elder Brother, my mentor. They stand beside
me in all difficulties of my life and have ever supported my all endeavours. My Sisters, Brothers and Bhabis equally boosted me up in the completion of this thesis. Given time spent researching, reading, and writing, every page represents hours away from the people I love.

This work would not have been possible without the support of my friends, Badsha, Anarul, Nazrul, Kamran, Sahidul, Socky, Saman, Yeasmin, Emili, Tinni, Mafroja, Rafikul, Rabiul, Tariq, and my seniors, Abdul Mabood and Sahidul Islam. They constantly encouraged me to go ahead.

I must acknowledge Manish and Yusuf who assisted me in proof-read before it takes the final shape.

Finally, I would like to say “thanks” to all those with whom I am connected in a rhizome-like way.

(Safiul Islam)
