LIST OF FIGURES

4.1 Experimental Group one and control group one at pre-test stage towards total attitude scores 109
4.2 Experimental Group one and control group one at post-test -I stage towards teacher attitude 114
4.3 Experimental Group one and control group one at post-test -II stage towards teacher attitude 119
4.4 Experimental Group one and control group one at post-test -III stage towards teacher attitude 125
4.5 Pre-test, post-test -I, post-test -II and post-test -III of experimental group one towards total teacher attitude scores 126
4.6 Experimental Group one and control group one at pre-test stage towards the active learning mean attitude scores 128
4.7 Experimental Group one and control group one at post-test -I stage towards the active learning mean attitude scores 132
4.8 Experimental Group one and control group one at post-test -II stage towards active learning mean attitude scores 138
4.9 Experimental Group one and control group one at post-test -III stage towards the active learning mean attitude scores 143
4.10 Pre-test, post-test-I, post-test-II and post-test -III of experimental group one towards active learning mean attitude scores 144
4.11 Negotiation of objective mean attitude scores of control group one and experimental group one at pre-test stage

4.12 Negotiation of objectives mean attitude scores of experimental group one and control group one at post-test -I stage

4.13 Negotiation of objective mean attitude scores of experimental group one and control group one at post-test -II stage

4.14 Negotiation of objective mean scores of experimental group one and control group one at post-test -III stage

4.15 Negotiation of objective mean attitude scores of experimental group one at pre-test, post-test -I, post-test -II and post-test -III stage

4.16 Experimental Group one and control group one at pre-test stage towards demonstration practice and feedback

4.17 Experimental Group one and control group one at post-test -I stage towards demonstration practice feedback

4.18 Experimental Group one and control group one at post-test -II stage towards demonstration practice and feedback

4.19 Experimental Group one and control group one at post-test -III stage towards demonstration practice and feedback

4.20 Pre-test, post-test-I, post-test II and post-test-III of experimental group one towards demonstration practice and feedback

4.21 Experimental Group one and control group one at pre-test stage towards continuous evaluation
4.22 Experimental Group one and control group one at post-test -I stage towards continuous evaluation

4.23 Experimental Group one and control group one at post-test -II stage towards continuous evaluation

4.24 Experimental Group one and control group one at post-test -III stage towards continuous evaluation

4.25 Pre-test, post-test -I and post-test -II and post-test -III of experimental group one towards continuous evaluation

4.26 Experimental Group one and control group one at pre-test stage towards support

4.27 Experimental Group one and control group one at post-test -I stage towards support

4.28 Experimental Group one and control group one at post-test -II stage towards support

4.29 Experimental Group one and control group one at post-test -III stage towards support

4.30 Pre-test, post-test -I, post-test -II and post-test -III of experimental group one towards support

4.31 Pre-test and post-test pupil perception mean scores of teaching of teachers of experimental group and control group
