ACKNOWLEDGEMENTS

No word is adequate to express the deepest feeling of gratitude that I have for my scholarly guide, Dr. R.C. Hooda, Reader, Department of Education, Maharshi Dayanand University Rohtak. It was he who first initiated me into this subject and lead me through the intricate labyrinths of research with his mature guideness, immense fund of learning, constant and affectionate encouragement.

The ready and generous help and affection which I received in abundance from Dr. B.S. Dagar, Reader & Head, Department of Education, Maharshi Dayanand University, Rohtak, also compels a feeling of profound thanks from me. His valuable comments and suggestions has enabled me to complete this work in its present form.

Of course, the profoundest feeling of indebtedness that I have is reserved for my everloving and caring parents. But for their determined and soothing encouragements at every stage of my career, I would not have been able to pursue my studies to this level.

I am thankful to my wife Mrs. Vandana Rana, Lect., Shiv College of Education Tigaon (Faridabad) who co-operated and helped me at every stage of this work.
I will be beyond my reach to appreciate the help and co-operation rendered to me by my younger brother Narender and his wife Raj.

Finally, I would like to express thanks to all my subjects, but for whom I would be wading in wilderness.

Last but not the least, I am highly indebted to my own little 'Ginni' who kept me refreshed by her naughty tits and bits.
