Acknowledgements

First and foremost, I must bow in reverence to Almighty ‘ALLAH’, the cherisher and the sustainer to whom we entirely owe our all capabilities, strength, courage and knowledge, without His blessings nothing can be done.

Words and lexicons cannot do full justice in expressing a deep sense of gratitude and indebtedness which flows from the core of my heart towards my esteemed supervisor Dr. Mohd. Imdad, Professor, Department of Mathematics, Aligarh Muslim University, Aligarh. Under his benevolence and able guidance, I learned and ventured to write. His inspiring benefaction bestowed upon me so generously and his unsparing help and precious advice have gone into the preparation of this thesis. He has been a beckon all long to enable me to present this work. I shall never be able to repay for all that I have gained from him.

I wish to thank Prof. Mumtaz A. Khan, Chairman, Department of Applied Mathematics, Aligarh Muslim University, Aligarh for providing me various departmental facilities whenever it seems feasible. I also avail this opportunity to express my thanks to all my teachers specially Dr. M. D. Khan and Dr. Rafiquddin for their encouragement and inspiration.

I would like to express my deepest gratitude and heartfelt thanks to Professor Masud Anwar Alavi (Ex. Chairman Department of Arabic, AMU, Aligarh), Prof. M. S.
