ACKNOWLEDGEMENT

At the outset, I would like to express my heartiest gratitude to my esteemed supervisor Dr. Surinder Kumar, Professor of Economics, Dean of Academic Affairs and Dean, Faculty of Social Sciences, for providing me consistent encouragement, invaluable guidance and critical comments at each and every step of my research work. He spared huge amount of his invaluable time for me during my research work, despite having crucial administrative responsibilities and very busy schedule. Without his invaluable help and guidance, it would not have been possible for me to complete my research work. In fact, it is impossible for me to express my gratitude in words. He treated me as a family member.

My respect is due to Professor A. S. Rana, Head, Department of Economics for his kind help in completing this research work. In fact, all the teachers have provided me all sorts of help, consistent encouragement and moral support at each and every stage during my research work, particularly Dr. D.C. Vasistha, Dr. Rajender Chaudhary and Dr. (Mrs.) Anita Dagar have spared a lot of time and made useful comments on my research work from time to time. I am also highly obliged to Dr. Y.S. Dahiya for his invaluable comments on my research
work. In fact at this juncture, I express my gratitude to all the teachers right from school education onwards, who enabled me to do this work.

I take this opportunity to thank the Staff of Central Library, M. D. University, Rontak for cheerfully providing me all sorts of help required in my research work.

I am extremely thankful to the Members and Staff of Haryana Electricity Regulatory Commission (HERC), Panchkula, especially Mr. K S Chaube and Sh Raghbir Singh, members of the Commission and Mr. Sanjay Verma, Joint Director (Economics) for providing me information and helping me in understanding various issues. I am also thankful to Mr. Mukesh Gupta, Dy. Director (Tariff-Finance), Delhi Electricity Regulatory Commission (DERC), Mr. J.S. Sukla, Registrar, Punjab State Electricity Commission, Mr. Sudhakar Sukla, Director Planning, Ministry of Power, Government of India and Mr. H.S. Bedi, General Secretary, Punjab Electricity Engineers Association, Patiala for providing me very useful research material as well as information. I express my thanks to the Staff of various power utilities in Haryana & Punjab State Electricity Board, The Energy and Resource Institute (TERI), New Delhi, World Bank Information Center (New Delhi) and Energy Group of PRAYAS (Pune) for providing me required research material. I am also
grateful to Dr. Joel Ruet (Centre De Science Humanies, French Institute, New Delhi), Dr. Navroz Dubash (Prof. at Institute of Public Finance and Policy, New Delhi) Sh. Baljit Sindhu and Sh. D. Selvaraj, my fellow researchers, for their valuable comments and suggestions to strengthen my research work. My special regard is due to Mr. Rajesh Kumar who provided me all sorts of help during my research work. He spared a lot of time for me out of his busy schedule and helped me in getting clarity on various crucial aspects. He made very useful comments on my research work from time to time.

I express my thanks to the non-teaching staff of the Department of Economics as well as Dean, Faculty of Social Sciences especially Sh. Krishan Bhardwaj , Sh. Subhash Bhardwaj, Sh. Raj Singh Rana, Mr. Suresh Rohilla, Mr. Satish Nandal, Mr. Mukesh Pakasma and Sh. Sube Singh for their kind cooperation and moral support during my research work.

My heartiest regard is due to my family members, particularly to my mother (late) Mrs. Phoolwati, who always inspired me for higher education. My special regard is due to my aunty Mrs. Brahmi Devi and my younger sisters, Priyanka Nehra and Preeti Nehra, who provided me
moral support as well as congenial & peaceful environment at home during my research work.

Apart this, I am very thankful to my friends Dr. Rajesh Malik, Dr. Bhoop Singh Balahra, Dr. Jasbir Deshwal, Dr. Dharmender Malik, Dr. Mohan Singla, Dr. Kavita Bhardwaj, Dr. Sunil Phougat, Mr. Sanjay Gautam (Swami ji), Mr. Tirath Ram, Mr. Pramjeet Sheoran, Mr. Pardeep Kumar, and all other well wishers for providing me all sorts of help, consistent encouragement and moral support during my research work.

My special regard is also due to my uncle Sh. Ramphal Kadian, Zilledar Rohtak, for providing me all sorts of help during my research work.

Lastly, but not the least, apart from these, there are many others who helped me directly or indirectly in my research work. I am very thankful to all of them.

If in spite of help and guidance of so many people, there are lacuna and lapses, these are entirely mine.
