PREFACE AND ACKNOWLEDGEMENT

This study is inspired by the process of change which commenced in this decade. This change is far reaching and influencing almost all aspects of socio-economic organisation of our country. The Cooperative Sector is organically linked with the rural social and economic life of our country. That is the reason that the Cooperative Banking becomes of vital importance in the changing economic scenario. The administration of Cooperative Banking presents an interesting factor in the ongoing process of change. Rohtak Division is one of very interesting centres of Cooperative Banking in rural as well as the urban mixed situation. This study of Central Cooperative Bank, Rohtak is dividing into two parts. The first three chapters in this study discussed the background evolution and organisation of Cooperative and the Cooperative Banking. Last three chapters analyse the actual working of the Central Coop. Bank, Rohtak. In the last chapter concluding observations are discussed in the context of changing ethos of the Central Cooperative Banking.

For this study I am indebted to Dr. Jai Bhagwan who supervised this study with consistent interest. I am thankful to the respect worthy faculty members of the Department of Public Administration for kind cooperation. I am deeply thankful to the Department of Cooperatives, Govt. of Haryana.
I am also thankful to the Library Staff M.D.University. Also I owe gratitude to the Library of National Cooperative Union (NCUI). I must thank all others who helped me directly or indirectly in completing this thesis. And finally I must express my gratitude for my family members who never disturbed me while doing this study work. The secretarial staff also provided me the needed help. I must confess that all errors are mine.
