ACKNOWLEDGEMENTS

First, let me thank the Almighty God, the most Gracious, and the most Merciful. He endowed me with the requisite knowledge, and ability to produce this piece of work. I bow down to Him in gratitude with all humility from the depth of my heart.

Words are seem too less to express my deep sense of gratitude to the God for giving me nice parents whose love, sacrifices and sustained efforts enabled me to acquire knowledge. What I am today is because of my parents love, prayers, sacrifices and sincere endeavors.

With great pleasure, I express my deep sense of gratitude and sincere thanks to my supervisor Syed Tariq Murtaza, Ph.D. Assistant Professor, Department of Physical Health and Sports Education, A.M.U., Aligarh for his sincere cooperation, constant guidance, encouragement, empathetic and inspiring attitude and the firmly assistance facilitated the accomplishment of this work.

I would like to take this opportunity to express my profound sense of gratitude and respect to Prof. Ikram Hussain as my teacher and Chairman, Department of Physical Health and Sports Education, A.M.U., Aligarh for providing me the necessary facilities to carry out this research work.

I tender my heartfelt thanks to all the teachers, ‘specially to the Co-ordinator’ UGC SAP DRS-I Programe Prof. Jaowad Ali Khan and other teachers Dr. Kabir Shah Khan, Dr. Rajendra Singh, Dr. Brij Bhushan Singh and Dr. Zamir Ullah Khan for their willingness to help me continuously, constant encouragement, moral support and valuable suggestions to complete this work.

My special thanks goes to Prof. (Mrs.) Ruqaiya Zainuddin, Chairperson, Department of Education, A.M.U. Aligarh, for her
tremendous helping nature and Mr. Wali Mohammad, coach in A.M.U. Gymnasium Club, for his moral support and kind attitude in all respects whenever I needed. I am very thankful to Mr. Malik Hayat Hashmi, System Programmer in Computer Centre, A.M.U. Aligarh, for his help in analyses of the data. I am also thankful to Mr. Tajuddin and Mr. Aqeel, Department of Psychology A.M.U. Aligarh for providing me manual of Life Attitude Scale.

I am also thankful to Dr. Farkhunda Jabin, Guest Faculty, Department of Hifzane Sehat Wa Samaji Tib Faculty of Unanai Medicine, A.M.U Aligarh for her cooperation, encouragement and motherly nature.

It is no elaboration that this study owes its reality to the inspiration and encouragement received from Ms. Mehmoodun Nisa, pursuing Research from Psychology, Faculty of Social Science, A.M.U., Aligarh. She not only gives me her valuable time but also guided and prayed for me at every step of my work.

Words are seem to be inadequate for the appreciation and gratitude to my all dear friends particularly Mr. Mohd. Imran, Mr. Mohd. Sharique, Mr. Riyaj Uddin, Mr. Mohammad Ibrahim Lone, Mr. Pankaj Gwari, Mr. Farhan Ahmed, Mr. Nadeem Ahmed, Mr. Tausif Khan, Mr. Javed Shafiq, Mr. Faisal Khan, and all other friends who generously helped me throughout the work. They all were my support system and pillar of strength in troubled times during all phases of the study.

I am also thankful to all the coaches, managers and officials for their tremendous support during the time of data collection. I am also highly thankful to all the players who not only support me but also in spite of their busy schedule fill my questionnaire without any hesitation.
My special thanks goes to all the scientists for their research studies, who help me in the competition of my research work. Because their research studies it’s not possible for me to complete my research work.
