Acknowledgements

At the first instance I have to pay my obeisance and acceptance to "Omnipotent Allah" the great faith in whom helped me accomplished this task.

It is indeed my bounden duty and heart felt gratitude and humble regards to my revered teacher and supervisor Dr. Zamirullah Khan, Associate Professor, Department of physical health and sports education A.M.U., Aligarh. The present work has culminated due to his expert supervision, meticulous guidance, inspiration and most of all his enthusiasm for perfection and completion of this work.

My special thanks to all my teachers Prof. Ikram Husain (Chairman, Department of P. H. & S. E., A.M.U.), Prof. Jaowad Ali Khan, Dr. Rajendra Singh, Dr. Brij Bhushan Singh, Dr. Kabir Shah Khan, Dr. S. Tariq Murtza and non teaching staff of the department for their encouragement and motivation for this academic endeavor.

I also grasp this opportunity to express my heartiest thanks to my friends Mohammad Muqarram, Sartaj Khan, Asim Khan, Dilshad Ali, Shamim Ahmed, Mohd. Arshad Bari, Arif Mohammad, Fareed Alam and Abdul Rehman who generously helped me throughout the work as when required.

No words ever justice to express my immense indebtedness and love for my parents Mr. Viqar Hussain & Mrs. Nayyara Khatoon. Their morals, wisdom, patience and prayers played a decisive role for my success through out my life. I would like to my eternal gratitude, love and deepest acknowledgement to Miss. Faryal Zaidi whose
continuous encouragement gave me the strength to go on and complete this task.

My heartful thanks to my adorable sister Hilal Fatma and my brother Kamal Haider & Sartaj Haider for standing with me throughout both difficult and good times. I am eternally grateful to them for their affection, understanding & unconditional support. Special note of thanks to my brother in law Mohammad Jirjees and sister in law Mahak Fatima my nephews Mohd. Adeeb, Jafar Mustafa, Aijaz Haider for their enormous love, support & prayers with out which this work would have not been accomplished in target time.
