ACKNOWLEDGEMENT

I acknowledge with due decorum the constant encouragement and able guidance provided to me by my Honourable supervisor Dr. D.V. Dagar and pay my sincere thanks to his highness for the same in the completion of the present study.

I feel deeply indebted to express my heartily gratitude to Prof. Dr. S.S. Sangwan and Dr. M.K. Bhatnagar in the Department of English, Maharshi Dayanand University, Rohtak for their competent and able guidance with an encouraging and inspiring attitude as and when sought by me even without prior appointment.

I am also thankful to Dr.C.M. Sharma, Head, Department of English, Maharshi Dayanand University, Rohtak for his timely advice and being most considerate and co-operative.

One person I must thank and feel grateful even though he may not like his name to be mentioned, is Shri Gian Singh for selflessly sharing his valuable time out of his busy schedule to look through this work and straighten the queer problems arising from time to time.

I take this opportunity to pay due respect and sincere regards to all the members of family of my parents in general and father in particular who always stood by me in my times of need and proved himself like a lighthouse for me since he is most energetic, enthusiastic and a saintly person. But for his dedicated efforts and devotion, this study could not have been carried out.

I am extremely grateful to my in-laws for their keen interest and encouragement throughout the course of the study. I also feel
honoured to express my heartiest gratitude to my revered husband who always bore patience and took a lot of pains in the accomplishment of this study by inspiring me from time to time. I must appreciate my innocent daughter, Varuna for her non-interfering and compromising attitude with the situation pertaining to this up-hill work.

I pay my true tributes to my young brother (Bhuwa's son) Sunil Kumar of 25, who suddenly left us for his heavenly abode on September 1, 1999 in a mysterious way having rendered unforgettable help to me without having the fruits of his selfless devotion.

I would also like to pay my thanks to all my friends and elders for their immeasurable help and moral support at every step in completion of this thesis.

Lastly I must thank the officials of Maharshi Dayanand University Library, Rohtak for their due co-operation as and when needed. Mr. J.P. Prajapati richly deserves thanks for his painstakingly typing this thesis.

Dated Rohtak the Nov. 22, 1999. (SURAJ MUKHI YADAV)
