ACKNOWLEDGEMENT

I take this opportunity to express my deep and sincere gratitude and profound appreciation to a number of individuals and institutions, from where I have received enormous help, guidance and encouragement during my study.

It gives me immense pleasure to present this thesis based on the problem suggested by Dr. Rupa Das Borbora, Head, Department of Education, Cotton College, Guwahati. I express my sincere gratitude and thanks to my guide Dr. Rupa Das Borbora for her able guidance, keen interest, sustained encouragement, sympathetic counselling and valuable suggestions in carrying out this piece of research work which finally resulted in the completion of this thesis.

I am highly obliged to Dr. Gayatree Goswami, Professor and Head, Department of Education, Gauhati University, Guwahati -14 and Dr. Lutfun Rasul Saikia, Professor and former Head, Department of Education, Gauhati University, Guwahati -14 for help and encouragement during the research work.

I am indebted to Dr. Dharmeswar Barman, Asst. Professor, Department of Botany, Goalpara College, Goalpara for his enormous help during data collection and field study.

I would like to convey my sincere thanks to Dr. Manab Deka, Asst. Professor, Department of Statistics, Arya Vidyapeeth College, Guwahati, all the faculty members of the Department of Education, Cotton College, Guwahati and to my friend Dr. Purabi Baishya, Asst. Professor, Department of Education, Gauhati University, Guwahati-14, for their help and cooperation during the period of my investigation.

My sincere acknowledgement and gratitude are also extended to all my colleagues of the Department of Education, Arya Vidyapeeth College, Guwahati -16 for their continuous support and encouragement throughout my research.

This acknowledgement will remain incomplete if I fail to mention the cooperation and help extended to me by the authorities and staff members of the libraries which I had to visit frequently to complete this research work.

I wish to remember the encouragement and moral support that has been extended by Pranab, Rinki, Biniba, Dipu Bhindew, Pinkuda, Ripunjay, Bidisha, and
my niece Sakshi including other family members who were my guiding force in the completion of this work.

Finally, my two daughters Prachi and Yubika and my husband Kamalendra, the real inspiration and supporting pillars, need no mention whose understanding and inspiration persistently pushed me ahead to finish the job well in time.
