ACKNOWLEDGEMENTS

First and foremost I thank Almighty who gave me the strength to complete this work.

It is a great privilege to acknowledge the many people who made this possible.…

I would like to take this opportunity to convey my cordial gratitude and appreciation to Dr. B.V. Somashekhariah, Professor, Department of Chemistry, St. Joseph’s college, Bangalore without whose constant help, deep interest and vigilant guidance, the completion of this thesis would not have been possible. I am extremely obliged to him for his immense intellectual inputs and patient support.

I am really indebted to the Principal, St. Joseph’s college, Bangalore for permitting me to use all the institutional facilities for this research work.

I would like to pay my deepest gratitude and appreciation to Dr. Naveen Chandra, HOD and Professor, Department of Chemistry, St. Joseph’s college and Dr. Saraswathi Raman, Professor Department of Botany, St. Joseph’s college for their technical suggestions, intellectual inputs and kind help during this research work. My gratitude to Dr. Preetha Nair, HOD, Department of Biotechnology, Mount Carmel College, Bangalore for her constant encouragement and guidance. I also express my sincere thanks to Ms. Jyothi and Ms. Sahana for their moral support and encouragement.

I am also extremely grateful to Dr. M.C. Gayatri, BSR - Faculty fellow, Department of Molecular Biology, Bangalore University, Bangalore for her valuable support, encouragement and help. I am also indebted to my colleagues for all their immeasurable support.

I would like to extend special thanks to my friend and co researcher Ms. Sindhu S. Nair for her constant inspiration and motivation.

I extend my heartfelt thank you to my loving parents who have constantly encouraged me to pursue my education and have stood by me during all my tough times and without whom this thesis would not have been a reality. I wish to dedicate this thesis to my loving son Akash C. M who has put with my erratic timings during the long grinding days in the lab and compilation of the thesis.

I thank all my dear friends who have constantly encouraged and buoyed me for the successful completion of this thesis.

Nithyakala C. M
