Thanks are poor expression of the deep gratitude which one feels in one’s heart, yet there is no better way to express it. So, one must acknowledge the substantial help and healthy support received from one’s well-wishes during the execution of a specified task. I would, therefore, like to convey my thanks to all those who have contributed considerably to the completion of my research work, in a direct manner or else.

Infact, I am groping for exact words to pay deep gratitude to the persons who deserve it truly. First of all, I feel proud and privileged to express my deep feelings of gratitude and indebtedness towards my esteemed guide Prof. Indira Dhull, Head and Dean, Faculty of Education, Maharshi Dayanand University, Rohtak, for her pains taking supervision, constructive criticisms, constant encouragement and affectionate guidance during the course of this study.

My thanks are also due to Prof. R.C. Hooda whose valuable and unstinted guidance and encouragement has made this endeavour a successful attempt.

I am extremely grateful to all other staff members of the department for their valuable suggestions and timely help at every step of the study.

I am extremely thankful to Dr. Rajinder Pal Kaur, Principal, S.J.S. College Patiala, for her valuable help and guidance at each and every step.

The debt I owe to the Principals, staff members and students of Shri Ram Public School, Rohtak; D.A.V. Public School, Rohtak and Shiksha Bharti Public School, Rohtak, who have rendered full and sincere cooperation in collecting necessary data for this study, is supreme and can never be repaid in full.

I offer my sincere thanks to my colleagues and friends who have inspired helped and encouraged me in the completion of this research work.

I am extremely thankful to my honorable parents, Sh. Raghibir Singh Dalal and Smt. Sharda Dalal whose affection, constant care and encouragement are beyond expression.
Finally, let me put on record the unrivalled and most loving support and mutual understanding from my dearest husband Sh. Dayanand Malik who has been boosting and sustaining me throughout. Not to be forgotten my sweets stars master Vishal and Sahil who have been sacrificing a number of affectionate moments, on the score of my indulgence in this prestigious task, thus contributing in their own way.

I am also thankful to Mr. Rajesh Arya for neat and accurate typing of this manuscript.
