Acknowledgement

This long cherished dream of mine wouldn’t have seen this day of light without the enormous cooperation and colossal support of so many persons whom I will remain forever indebted.

At this ecstatic time of presenting my thesis, I find myself unable to elucidate in words my genial feelings of indebtedness and unfeigned gratefulness to my esteemed teacher and guide, Dr. Madhuri, Assistant professor, Department of Education, M.D. University, Rohtak for her constructive and ever available guidance, incessant inspiration and valuable suggestions at all the stages of this research work, I find myself highly fortunate and gratefully privileged to have worked under her supervision because her enlightening storehouse of vast knowledge, farsightedness, eloquence and above all mastery over the subject inspired me throughout my way to complete this challenging but most desirous task.

I earnestly thank Dr. Madhu Gupta, Head, Department of Education, M.D.University, Rohtak for encouraging and guiding me to complete this work well in time.

I express my sincere gratitude to Dr. Ashok Kumar Kalia, Professor, Department of Education, M. D. University, Rohtak whose unhesitating support and incisive comments have helped me a great deal.

All my subjects have a special place and regard in my heart for their invaluable support and help and specially Principals, students and teachers of senior secondary schools, whose enthusiasm, zeal and interest reinforced me in my data collection phase.

Words should be inadequate to convey my deep sense of gratitude to my in-laws – Sh. R.S. Dalal (Ex. Deputy Registrar, M.D. University, Rohtak) and Smt. Shakuntala Devi, my parents Sh. Umed Singh (teacher, Haryana Govt.) and Smt. Raj Rani (teacher, Haryana Govt.), my brothers Mr. Sushil and Mr. Rajesh without whose blessings, I could not have completed my research. They have been a constant source of inspiration to boost my moral in my academic pursuits. Their affection and blessings have been the real pillars of my confidence.

I do feel proud while mentioning the name of my husband Dr. Lalit Kumar who constantly encouraged and motivated me to see this work of reality. He stood as a lamppost and showed me the path and made it easy to do this research work. I just don’t have enough and proper words to thank him for everything. The forbearance of my son Mr. Sarthak in bringing me at this apex is praiseworthy.

Finally, it gives me pleasure to express my heart-felt gratitude to all those who have been there all the while during my research period, lending their help in every possible way to come out of the course with flying colours.
