Chapter - 1 Introduction 1-28

Development-Induced Displacement
Meaning and Nature
Magnitude
Bank Assisted Development Projects
Dam Projects
Urban Infrastructure and Transportation Projects
Agricultural Expansion Projects and Forest Reserves
Population Distribution Schemes
Natural Resource Extraction caused Displacement
Deconstructing the overall Impoverishment Risks in a Model Form
Coal Mining and Thermal Power Projects in India:
Need and Consequences
Backdrop of the Study
Displacement and Land Acquisition by different Development Projects in Orissa
Debate on Displacement in Orissa
Rationale of the Study

Chapter - 2 Development Discourse 29-50

Development Discourse
Economic Approach
Sociological Approach
Institutional Approach
Diffusionist's Approach
Development - Underdevelopment
Dependency Theory
Development and Environment
Development and Underdevelopment in India
Development Projects and Involuntary Displacement in India
Development Displacement Debate in India
Chapter - 3 Development- Induced Displacement and Rehabilitation and Resettlement: An Overview

Displacement Consequences- A Theoretical Overview
Overviews on Compensation
NTPC & Coal Mining Projects under Study: Specific Review
Land Acquisition/ Displacement due to NTPC projects
Land Acquisition and Coal Mining projects in India
Impacts
Review of Resettlement Policies at International Level
Status of R&R Policy in India
National Policy for Resettlement and Rehabilitation (NPRR), 2003
Status of R&R Policy in Orissa

The Orissa Resettlement and Rehabilitation Policy, 2006
NTPC and Coalmining R&R Policy: Specific Review
An Overview on Land Acquisition Act in India
Land Acquisition Act
Coal Bearing Act
Cost Benefit Analysis
Benefit Sharing Analysis
The Discrimination of Women in Orissa
Gender Right
Rehabilitation as a Right

Chapter – 4 The Field of Study and Techniques of Data Collection

Location
Flora and Fauna
Demographic Profile
Socio-Economic Profile
Religious Beliefs and Festivals
Industrial Background of the Area
Geographical Map of study area
History of Coal Mining Projects in the District
Land Acquisition and Rehabilitation due to MCL projects
Land Acquisition and Rehabilitation due to NTPC project
Objectives
Research Design
Universe and Sample design
Profile of Sample Villages
Pilot Study
Identification of Respondents
Rapport
Data Collection
Personal Encounters and Experiences
Chapter - 5  Socio-Economic Profile of MCL-NTPC Oustees and Their Present State of Living

Pre-Displaced Socio-economic Profile of Oustee Families
Social and Demographic Structure
Education Level
Occupation Profile
Post Displaced Scenario:
Social and Demographic Structure
Education Level
Occupation Profile
Living Status
Income and Poverty
Assets Position
Dwelling Condition
Consumption Pattern
Health Status
Agricultural Economy

Chapter - 6  Displacement Effects and People’s Survival Strategy

Mahanadi Coalfields Limited (MCL) and its R&R Policy
Eligibility Criteria for R & R Benefits
Critical Analysis of the MCL R&R Measures
Employment-based Rehabilitation
