DEDICATED TO
MY MOTHER GULZAR BEGUM
AND
MY FATHER ABDUL RAHEEM
ACKNOWLEDGEMENTS

I am grateful to Almighty Allaha (SWT) for his grace and mercy upon me for the completion of this thesis.

At the outset, I express my heartfelt gratitude to the Director, National Institute of Oceanography (a CSIR Lab), Dona Paula, Goa for providing me with an opportunity to work in the most prestigious institute of national and international repute.

I am extremely fortunate to have the privilege of working under the inspiring supervision of Dr. Usha Goswami, scientist F and Deputy Director (Retd.), National Institute of Oceanography. Her unstinted support, patience and constant encouragement, which paved the way for the successful completion of this thesis.

I am grateful to my co-guide, Dr. G.N. Nayak, Dean faculty of Life Science and Environment, Goa University for offering some of his useful suggestions and meaningful guidance in my venture.

Let me also place on record my sincere thanks to all the FRC members, Dr. C.U. Rivonkar, VCs nominee, in particular for critically monitoring the progress of my work and for tendering valuable guidance to keep the work on track.

I am deeply indebted to my mother, Gulzar Begum, who despite her severe illness kept goading me all the time in my endeavours. She did not let her illness, Chronic Renal Failure, come in the way of my work.

I am equally indebted to my father, Prof. Abdul Raheem Navalgund for motivating me all the time. He fully backed me up morally and materially.

I am grateful to my brother, Muhammed Azhar Iqbal and his wife Nilufer for their help at various stages of my work.

I thank my wife, Naseem, whose help, service and sacrifice has been quite immense without her help this thesis would not have been possible she stood by me all through the rigours of my research. The love of my little daughter, Noorrunnisa, has served like a beacon light.

I am thankful to my-in-laws, Sayed Anwaruddin Kazi and Nagina Kazi for extending the material support and the necessary encouragement.

I am thankful to my friends Abu Bakar Ansari, Mohd. Sajid Khan, Ramila Furtado and Dinesh Udapi for helping me during my work and preparation of the thesis.

I am thankful to my friends Dr Somshekhar Desai, Dr Sabu for their encouraging words during the research period.

I am grateful to Dastageer Myageri for his help in the statistical analysis of the data.

I am grateful to Dr. X.N. Verlekar, Scientist F and Dr. S.C. Goswami Scientist F and Head, Biological
Oceanography Division (Retd), National Institute of Oceanography, Goa for their valuable suggestions.

I am thankful to Mr. Mir Sajjad Hussain, Mr. Kurle and Mr. Tari for their help during the experimental work.

I am also grateful to numerous people who helped me in the collection of the material.

I am indebted to the Department of Biotechnology and Ministry of Environment and Forest, Government of India for the financial support for the completion of research work.
