ACKNOWLEDGEMENTS

I would like to express my deep sense of gratitude and very special thanks to distinguished lecturer Dr Sradhanjali Patra, my supervisor for her extraordinary scientific guidance, understanding, and encouragement throughout this research work. Her guidance and patience is hard to put into words as it is the stuff of legends. I am extremely privileged to have benefited immensely from her scientific dedication, insight and interpretation, and shall cherish her mentorship forever. Under her tutelage, I have grown both professionally and personally to the stage that I am at. I appreciate her as the ultimate teacher who made my interests a top priority with her continuous encouragement and confidence in me.

I am very much thankful to Prof. P. K. Panda, Head, UDPS, Utkal University for their affectionate help during the tenure of my research work.

My thankful acknowledgement is due to the Secretary, H & FW Department, Govt. of Odisha and the Drug Controller, Odisha for providing permission to carryout my research work along with my job.

I extend my sincere thanks to Dr S. K. Sahu, Dr S. K. Mishra, Dr S. K. Sahoo, Dr S. Sahoo, Dr D. Pradhan and Dr R. Mohapatra faculty members of UDPS, Utkal University for their constructive criticism and constant encouragements from time to time during the tenure of my work.

I extend my heartfelt gratitude to Prof B. B. Barik, former Head, UDPS, Utkal University for providing meaningful guidance, criticism and constant encouragements during research work.
I express my sincere thanks to Glenmark Pharmaceuticals, Mumbai for providing me the drug glipizide as gift sample; Sun Pharmaceuticals, Baroda for providing me some excipients and Director & Principal of Gayatri College of Pharmacy, Sambalpur, Odisha for allowing me to conduct the experiments in laboratory animals, without which my research work would not have been completed.

I am grateful to my office colleagues Mrs Mamina Pattnaik, Dy. D. C. (Admn) and, Miss Niharika Dash, Mrs P. P Sahoo and Mr S. K. Sinha, Drug Inspector, H & F W Department, Govt. of Odisha for their professional and personal support during my research period.

I would like to convey my special regards to my friends Mr Susijit Sahoo and Mrs Snehamayee Mohapatra and, to all non-teaching staffs of the UDPS, Utkal University, for their kind cooperation and help during the research work.

I gratefully acknowledge unforgettable support, love and sacrifice of all the members of my family throughout my entire research work. Without their support and encouragement, it would have never been possible to accomplish my research work. Especially I would like to extend my thanks from bottom of my heart to my Husband Dr Nihar Ranjan Pani, my son Mr Samarpit Pani, my mother Mrs Geetanjali Mishra and my father Mr Sibaji Acharya for their love and sacrifice who is a constant source of inspiration to me.
