Acknowledgements

I always feel lucky to have Prof. Krishna Gopal Bhattacharyya, Department of Chemistry, Gauhati University, as my supervisor. I am very much thankful to K.G. Bhattacharyya Sir for your continuous encouragement, support, suggestions and guidance. A dynamic personality with a down to earth nature of K.G. Bhattacharyya Sir inspired me a lots during the entire course of this research work and also to my entire life.

I am very much thankful to Prof. Birinchi Kumar Das, HOD, Department of Chemistry, for allowing me to carry out this research work at the Department of Chemistry. I am grateful to all the faculty members, Department of Chemistry, Gauhati University for their support and valuable advices.

I am thankful to Dr. Arunima Sarma, Morigaon College, who helped me in understanding various adsorption theory and calculations during entire period of my research work.

I am thankful to my Lab seniors Nibedita ba, Bidyutda, Mayurda, Nayanda, Provaba, Basanti baideu Ranjanda and my lab mates Purabi, Moutusi, Upama, Sanjay, Bharati, Gautom Hrisikesh, Himani, Leena, Moonmoon, Smita, Manashi, Rosy, Debolaxmi, Valantina, Priyadarshi, Bichitra and Padmalochan for helping me in every possible way.

I am thankful to all the other research scholars as well as the non teaching staff of Department of Chemistry, Gauhati University for their help and cooperation during my research work.

I also would like to thank Mr Subrata Baruah Retrd. Lecturer of Department of Chemistry, B. Barooah College who help, motivate and encourage me from my graduation till now.

In this auspicious moment of my life I am very much thankful to my parents Mr. Mathur Chandra Deka and Mrs. Nilima Deka for their blessings, support and bringing me to this stage of life. I would also like to thank my brother Dipu Deka for helping and supporting me during this period.

I am very much thankful to my in-laws Mr. Prabhat Ch. Sarma and Mrs. Bulbul Devi, who encourage, guide, support and help me in every possible way during this
period. You are the best in-laws in the world. I also express my sincere thanks to my brother in-laws Subhas Sarma and Anupam Krishnatreya for your help, support and encouragement.

A special thanks to my Jethae (elder sister of my mother in-law) Sri Monu Devi who helps me in daily household works with taking care of my child in my absence. Thank you Jethae without your help and support my research work will not be possible.

A special thanks to my dear husband Mr. Dipankor Sarma who encourage, motivate, support and provide every possible help during this period. Again from the bottom of my heart I thank my husband for understanding me and tolerate my anger sometimes specially when I was disturbed. Thanks to my child Keertiraj Sarma (3 years) also who understand and bear the separation at the very early stage of his life.

I also express my sincere thanks to my relatives, friends, colleges and all my well wishers.

Finally, last but not least, I would like to thank the Almighty for showing the right direction, blessing and giving me the strength and courage during this entire period of time.

Sumi Deka
