

Acknowledgements

It has been my cherished ambition to conduct research under the kind and able supervision of my revered mentor Dr. (Mrs.) Veena Sharma, Reader, Department of Mathematics, Himachal Pradesh University, Shimla-171005. She proved to be a beacon guide to me but whose constant encouragements, suggestions, cordial help and painstaking efforts the study could not have been accomplished. I gratefully acknowledge my sincere indebtedness to her illuminating guidance, hearted cooperation right from the beginning of this research and throughout the entire period of study has enabled me to complete this research. I will always remain grateful to her for giving direction to my life.

I am indebted to Prof. R.G. Shandil, Chairman, and other faculty members of the Department of Mathematics, for encouragement and providing me the necessary research facilities. I pay my tearful tribute to Late Prof. R.C. Sharma.

I pay a tearful tribute to my father, Late Shri D.R. Gupta whose ceaseless inspiration, everlasting affection and who taught me the lesson of hard work and honesty. I fail to find words to express my sincere indebtedness to my mother Smt. Meera Gupta, sisters, and my other relatives, whose silent blessings, timely guidance, sacrifices and everlasting affection have enabled me to complete this work. I am very thankful to my taya-ji Shri M.C. Gupta, who taught me the lesson of struggle to attain something in life.

I would like to thank Dr. Sunil Dutt, Dr. Kamal Kishor, Prabhat, Vijay, Arun, Jagdish, Mr. Nitya, Dr. Sanjeev Verma and Miss. Gagan for their significant contributions.

I would like to thank Principal Mr. S.C. Gupta, Administrator and teaching staff, especially, Mr. Rupinder Thakur, Mr. Harish Verma, Mr. Ajay Gupta and Mr. Sumeer Verma of Hainault Public School, Shimla-2 for their help, cooperation and suggestions.
