

ACKNOWLEDGEMENT

I am privileged to acknowledge the blessings of my esteemed teacher, Professor Mihir B. Banerjee, Head, Department of Mathematics, Himachal Pradesh University, Shimla and am grateful for his guidance in preparing this document.

I express my gratitude to Dr. J. R. Gupta, Associate Professor, Department of Mathematics, H. P. University, whose constant motivation and guidance lead me to pursue my research career.

Thanks are due to Department of Mathematics, H. P. University for providing necessary facilities to carry this research.

I remain indebted to my friends, Shri Kuldeep Singh Rathore and Shri Anil Kumar Gupta for their help and motivation and encouragement from time to time.

Lastly, but greatly thanks to Agarwals Electrottype, ~~Khalini~~, Shimla for typing of this thesis well in time and the helpful attitude.

S. P. KATYAL
